

Citizen Comments received during the MyCityMyBudget Mangaluru campaign 2021-2022

- The citizen comments were received during the MyCityMyBudget Campaign conducted by Jannaagraha in Mangaluru between January 19 to 22, 2021.
- The comments were collected through a bilingual online form uploaded on www.jannaagraha.org/mangaluru as well as through an offline form.
- The citizen names, contact information are not published to safeguard their privacy.
- Duplicate comments have been deleted.
- Click here to read MyCityMyBudget Mangaluru 2021-22 Report: <https://www.jannaagraha.org/files/MyCityMyBudget-2021-22-Mangaluru-Report.pdf>

ವಾರ್ಡ್ ಹೆಸರು Ward Name	Any other comments? ಬೇರೆ ಯಾವುದೇ ಸಲಹೆ
Ward 34 - Shivabagh	Training should be imparted on how to segregate wet and dry waste at source; footpaths need to be repaired on priority. We are looking forward to the set-up of Ward Committees.
Ward 41 - Central Market	Proper separation of wet and dry waste has to be made mandatory in all parts of Mangalore
Ward 38 - Bendoor	Kindly please make use of the budget according to the right need.
Ward 25 - Derebail (West)	ಗಿಡ ಮರಗಳ ಬೆಳೆಸಿ
Ward 22 - Kadri (Padavu)	Construction of roads are a must which will automatically control the pollution and traffic
Ward 59 - Jeppu	Drainage problem throughout , if we complaint also nobody is taking care of it , smart city concept is useless
Ward 37 - Maroli	Promote the public transport system within the city. No other solution for parking irks. Smart city funds must be smartly utilized for the benefit. Construct and manage public toilets. Unauthorized stone cutting is being done in Maroli near Yamuna Residency apartment, with the blessings of politicians. Such works in residential areas must be avoided
Ward 30 - Kodialbail	ಎಲ್ಲಾ ತೆರಿಗೆ ಸಂಗ್ರಹವು online mode ಮಾಡಿದರೆ ಒಳ್ಳೆಯದು
Ward 36 - Padavu (East)	At present we could see heavy investment going on for road development at this time foot paths are ignored and all parking are done on footpaths where common man pedestrians are having risk for life
Ward 25 - Derebail (West)	Develop fresh water lakes in different areas
Ward 39 - Falnir	Create parking space before levying fine for parking on the roadside.
Ward 47 - Milagres	Priority 4 footpath
Ward 38 - Bendoor	I am very happy to see many roads are getting repaired improved for the better, what I would want to bring to light is because it takes place

	simultaneously in one area example Bendur it creates lots of traffic.
Ward 29 - Kambla	Currently we have almost all Raja Kaluves (storm drains) flooded with untreated sewage water. This needs to stop. Also, provide parking and earn from these spaces instead of collecting fines.
Ward 44 - Bunder	Keep sufficient drinking water because many people's don't receive drinking water
Ward 29 - Kambla	Roads have to be made better. The space should be kept for footpaths so that the people can walk and this can avoid accidents as well. Or else we will have to walk on the road which is not safe
Ward 31 - Bejai	ಬಿಜೈ ನಲ್ಲಿರುವ ದೊಡ್ಡ ಮೋರಿ ಯಲ್ಲಿ ಕೊಳಕು ನೀರು ಹರಿದು, ವಾಸಿಸಲು ಬಹಳ ತೊಂದರೆ ಯಾಗುತ್ತಿದೆ. ದಯವಿಟ್ಟು ಸೂಕ್ತ ಕ್ರಮ ತೆಗೆದುಕೊಳ್ಳಿ . ಇದು ನಮ್ಮ ವಿನಮ್ರ ವಿನಂತಿ.
Ward 31 - Bejai	Absence of speed breakers must be noted and speed breakers must be incorporated to ensure safety of the citizens of Mangaluru.
Ward 16 - Bangra Kuloor	The city corporation must strive to provide parking facilities in places with dense commercial activities.
Ward 46 - Cantonment	Clean city (without any problem facing Mangaluru citizens.)
Ward 16 - Bangra Kuloor	The Kottara-Chowki junction is an extremely difficult place to navigate through to get to the road leading to Bangra Kuloor/Mahesh PU college area. Although there is Police placed there, nobody helps the vehicles that require crossing. Kindly do something in this regard
Ward 30 - Kodialbail	More leisure facilities for kids
Ward 40 - Court	The city corporation should start focusing on using rain water harvesting and solar electricity now
Ward 31 - Bejai	Footpaths have to be elderly friendly as well. Being in a social work field many elderly complain that they feel unsafe to walk on them.
Ward 39 - Falnir	Please call all before making any budget because I don't see any development in our area for last few years so please understand please
Ward 31 - Bejai	Proper Parking facilities
Ward 37 - Maroli	Eradicate beggars...
Ward 31 - Bejai	Parking space should be provided.
Ward 31 - Bejai	1. City needs multi-level parking hub for every kilometre inside central business area on priority. 2. Police Station limits has to be restructured and ward wise small Police Outpost to be opened to meet the emergency situations of the civilians.
Ward 46 - Cantonment	Clean city (without any problem facing Mangaluru citizens)
Ward 47 - Milagres	Our roads and footpaths should be elderly and disabled friendly...traffic movement should be better managed with strict zebra crossing to help people walking to cross the road easily and safely.
Ward 18 - Kavoor	Any work there should be coordination between other departments. Responsibility on quality work should be fixed on engineer and contractor. Any loss should be recovered from them. Wasting on digging of new concrete should be avoided. Water charges should be reduced.

Ward 58 - Bolar	Inappropriate bus facility from Yemmekere to State Bank
Ward 30 - Kodialbail	better parking facilities
Ward 39 - Falnir	Repair S L Mathias road first and foremost
Ward 41 - Central Market	Traffic signals to be installed and functional mainly during peak hours.
Ward 38 - Bendoor	None.
Ward 7 - Idya (West)	1. The commercial buildings in Surathkal do not have toilets, due to which the employees there come to the neighboring residential areas to urinate all the time 2. The roads that have been constructed are dug up now and then, thereby wasting public funds. 3. The roads are constructed without proper storm-water drains which will lead to artificial flooding 4. The waste collection is not regular We request you to kindly address these matters. Thank you
Ward 33 - Kadri (South)	Road work carried out should be as per technical specs and should be inspected before paying the contractor
Ward 20 - Thiruvail	Underground drainage should be made immediately because of this the older days wells are gone due to the entry of drainage. The youth should get chance to be present during the MCC meetings and the MCC should take suggestions from them. The city corporation should make some special events for the youths were they will be interested in public service during the construction work of concrete damar public uses the Corporator has to take the help of the public. And during these things there should be a special team to check the progress of the work which is the most imp thing should be made Thank you
Ward 48 - Kankanady Valencia	Public toilet should be clean and professional too.
Ward 12 - Panjimogaru	Make every house pay their taxes on time. Take the help of NITK and other Engg colleges to mobilise taxes. Lack of planning in road construction.
Ward 30 - Kodialbail	Water logging on road during rainy season should not happen
Ward 38 - Bendoor	Improvement in administration, waste management and sewage systems, road development is a never ending business, visit of the corporator to the ward is necessary
Ward 44 - Bunder	Road and Traffic
Ward 27 - Boloor	Flyovers at KPT, Nanthur jn. Multilevel parking at Hampankatte, cornice road all sides of netravati and gurupur rivers in the city limits, digital signals and CCTV camera at all junctions, elevated corridor between jyoti and State Bank, road bridge at Sultana battery to tanner bhavi, metro between suratkal and deralakatte via city.

Ward 9 - Kulai	Please take strict decision against clean city
Ward 33 - Kadri (South)	1. More trees. 2. Rain water usage instead of letting it to the sea 3. Traffic lane discipline
Ward 22 - Kadri (Padavu)	If anyone wants Mangalore city to grow, the city should never sleep first of all. Mangalore should be open 24*7 in selected areas, may be from kottara entry to jeppina mogeru entry as a business area, one side of the highway as business district. Police should work in shifts, you never ask inputs or advice from Police dept in keeping city open for 24*7 as they will object for sure. Because, they don't want to take any risk nor they want to work 24*7 in shifts. City is considered full pledged city only when it operates 24*7. Bars should close at 12 midnight and people who drink and create public nuisance should be punished with hefty fines or jail up to six months. All the best.
Ward 56 - Mangaladevi	Focus should be on creating jobs by getting more companies to our city and develop beaches to attract more tourists to our city.
Ward 23 - Derebail (East)	Please work on street lights as well as they provide so much support for people working after dark / night. More CCTV cameras on roads, safety and security
Ward 32 - Kadri (North)	City must look more attractive by giving public awareness and keeping city neat and clean. City bus facility - for a person from Kuntikana to KPT or Kadri or Bejai Church is not available. People dumping wastes on either sides of NH, mainly between Kuntikhana and KPT must be tracked through CCTV and many more such options needed
Ward 22 - Kadri (Padavu)	There should be high importance towards beach development. Look at Padubidri beach and look at M'lore beaches. Beaches should be highly commercialised in order to generate tourism revenue and employment opportunities. Mlore beaches are not upto standards in any ways. Need to give space to public and toilets, eateries, changing room and entertainment on the beaches. Mloreans lack, time pass places for weekend. District administration should put efforts to create lot of time pass areas or places for weekend, to people to come out and spend. When public spend economy improves, that's the simple equation.
Ward 56 - Mangaladevi	Kindly make access the citizens to pay all taxes, bills etc through on-line basis regularly or make one day ward wise counter for all taxes & bills.
Ward 56 - Mangaladevi	Whatever you do. Do it properly and always complete works in the city. Please don't use public money to your private works.
Ward 17 - Derebail (North)	Mangalore Budget should be allotted to every field including education as well.
Ward 58 - Bolar	Parking has been a major concern all across the city. Secondly names of the roads are not visible anywhere. We need to follow the system like Bangalore where every road every street every cross roads have a name board, a proper visible one using colour codes.
Ward 59 - Jeppu	The quality of the drinking water is abysmal. Especially after rainfall. The water turns muddy after just a couple of bouts of rain.
Ward 37 - Maroli	Capithanio road drainage holes must be covered with interlocks upon the slap

Ward 30 - Kodialbail	Scientific segregation of waste
Ward 31 - Bejai	Multi-level parking facility near PVS
Ward 47 - Milagres	ನಗರ ವ್ಯಾಪ್ತಿಯ ಮನೆಗಳಲ್ಲಿ ನಾಯಿಗಳನ್ನು ಸಾಕುವುದಕ್ಕೆ ನಿಷೇಧ ಹೇರಬೇಕು. ನಾಯಿಗಳು ರಸ್ತೆಬದಿಯಲ್ಲಿ ಗಲೀಜು ಮಾಡುತ್ತವೆ. ಅನಗತ್ಯವಾಗಿ ಬೊಗಳೆ ಶಬ್ದಮಾಲಿನ್ಯವನ್ನೂ ಉಂಟುಮಾಡುತ್ತವೆ.
Ward 38 - Bendoor	No
Ward 17 - Derebail (North)	Drainage facility to avoid bad stink close it with the rocks.. So that people can walk over it. 2. Attach a extra step on the local private city buses so that people with knee pain and old people can climb peacefully (same like government buses) Make some paid public toilets with water and one staff to clean it.
Ward 38 - Bendoor	Prioritisation should be given for all options instead of just 3.
Ward 14 - Marakada	MUDA has taken over City Corporation Layout but according to that Taxes are levied on Citizens. But we are not getting even basic infrastructure like Clean Drinking Water (water which we get is in fact not Water it's MUD). If pipeline is broken at any place then we literally harassed for water as there is no other options available for us. For 01 Street Light Pole requesting since 03 years meanwhile 01 AEE even retired and new Person telling Smart City work going on and we will be getting LED LIGHTS but when ?? God also may don't Know, the way officials are replying. For Kavoor being Junction area only 01 route has BUS STOP and 03 route people literally stand in rain and sun light.... Concerned Authorities don't even respond on such issues even reminding them again and again. Again Public Toilet not available at this Junction anywhere saying there is no place but we have place for Indira Canteen???
Ward 44 - Bunder	Keep big dumpsters as in old days used to be.
Ward 26 - Derebail (South - West)	Parking spaces in city
Ward 24 - Derebail (South)	Kindly request u to provide us a road access to our house which is not available in spite of paying all taxes on time year after year
Ward 25 - Derebail (West)	First, work on entire city planning, then add a budget with importance given to Water supply, Drainage, Cable management, Underground electricity then the roads and footpath.
Ward 43 - Kudroli	Public Park
Ward 31 - Bejai	Give contracts to companies that can deploy efficient workers equipped with better tools and machinery in order to complete the work sooner and in an organized & neat manner.
Ward 48 -	1) Good footpaths are required for safety of all citizens. Currently some

Kankanady Valencia	of them are occupied by vendors, stalls, etc. Some of them have slabs which are shaky and can tip - referring to footpath at the side of Valencia park. 2) Clean public toilets are a must for every city, these must be cleaned every day. 3) Waste Management - for a clean city, waste dumped on the road side, gutters, etc. must be cleaned every day. Provide bins where people can dump their wastes.
Ward 49 - Kankanady	Please connect roads to my house
Ward 50 - Alape (South)	Develop Mangala karnish road for overall development
Ward 8 - Hosabettu	Please do something for rented peoples, already applied application for Home. Mentioned that you selected for this. But till now no response. Please start application for Homeless and Rented peoples ,
Ward 15 - Kunjathbail (South)	Urinals at public places
Ward 27 - Boloor	Cost for the use of public toilets should decrease
Ward 21 - Padavu (West)	Thank you
Ward 33 - Kadri (South)	Please revive private open wells. Faulty drainage system has contaminated many wells in Kadri Kaibattal area.
Ward 33 - Kadri (South)	Properly implement the laws and take action/penalize the citizens who waste water, throw garbage and encroach government properties
Ward 28 - Mannagudda	Please restructure the solid waste management infrastructure. Mangalore is becoming a garbage city these days.
Ward 49 - Kankanady	In my area drainage work still not done. And connection also not allowed . It's very uncomfortable to every citizen living here
Ward 12 - Panjimogaru	Require proper drainage, footpaths, double road is stopped midway due to political issues, drainage is flowing in the streets, this is an Airport road and is worse than a rural road
Ward 36 - Padavu (East)	For making disabled toilets , disabled friendly and parks, wheel chair accessible areas etc
Ward 12 - Panjimogaru	Hopeless municipality
Ward 23 - Derebail (East)	Traffic is getting bad and that has to be solved
Ward 18 - Kavoor	Make footpath and more market
Ward 37 - Maroli	Please look after people throwing waste on road side heavy fine must be imposed
Ward 56 - Mangaladevi	More traffic signal to control traffic jam
Ward 33 - Kadri (South)	1. Footpaths to be raised so that vehicles are not parked on them. 2. Parking slots to be marked so that vehicles do not park haphazardly. 3. Footpath vendors shout not be allowed.
Ward 24 - Derebail (South)	Stop Crackers breaking and microphones after 10pm even religious and social functions. If made complete crackers free is more ideal to avoid pollution normally creatures resting time.

Ward 41 - Central Market	Parking and traffic discipline to be improved. The corporation water facility is little or none on one side of the Vithobha Temple Road for nearly 10 years now.
Ward 49 - Kankanady	Request for disabled toilets, wheelchair accessible areas and disabled friendly parks !!
Ward 40 - Court	To have ward committees to discuss problems of their ward to resolve through working hand in hand with corporation
Ward 38 - Bendoor	Drainage system needs more funds so that main line which is Stoneware pipeline which is about 50 years older and passed in narrow lanes and between private compounds should be Changed with new upgraded pipeline and Manholes which is an utmost important work to be carried out by the Corporation with immediate effect.
Ward 37 - Maroli	Yes please do with street lights near maroli because it's very scary during night time to walk Hope to see new changes
Ward 27 - Bolor	Please allocate budget for improvement of the environment to plant more trees, garden. Encourage people to get involved in planting trees.
Ward 31 - Bejai	Please fix the roads.
Ward 28 - Mannagudda	Stray animals to be taken care
Ward 59 - Jeppu	Water supply is generally satisfactory MCC shall give priority to - (1) Regular maintenance of roads/footpath & creation of more parking space. (Frequent cutting/ digging up of concrete roads is highly objectionable and shall be avoided at all costs. Please examine the possibility of laying an underground system below road dividers, through which insulated electric cables, water supply piles and cooking gas pipes etc can pass) (2) Regular garbage disposal (3) Construction/ maintenance of public toilets, bus stops etc.(During the past several years hundreds of trees were cut and scores of bus shelters were destroyed while widening roads. MCC has to take urgent steps for replace the trees and bus shelters) instead of wasting public money on useless beautification projects like the clock tower, it shall be spent on increasing parking spaces, smoothening traffic flow, constructing toilets etc
Ward 25 - Derebail (West)	For all wards budget amount allocated & for what works it is allocated should be available in the website of the Mangalore City Corporation. Also the status of the work (completion) should be updated every month so that citizens are aware what development works are going on in the wards. Contact details & names of the corporation officials who are responsible for the work should also be available.
Ward 33 - Kadri (South)	Wastebaskets to dispose material wastes such as plastic, paper, and even bio should be placed frequently inside the city. A call to a clean city solely won't make a clean city, proper infrastructure should be made to enable a 'clean city' life style for the civilians of Mangalore. A clean and beautiful footpath will add beauty. A set of clean public toilets will add

	to not only a clean but also a hygiene city.
Ward 31 - Bejai	Any healthy city need to have good footpaths for pedestrian movement. Unfortunately city planners seem to have not realised its importance while laying or widening roads. Good footpaths will encourage people to walk and keep them healthy. It will also cut down pollution and accidents
Ward 22 - Kadri (Padavu)	Kindly plan for pedestrian crossing bridge near Nanthoor bus stop
Ward 38 - Bendoor	1.What you mention in the budget, kindly implement it without any delay or duplication 2.Keep monitoring whether the work is going to be done 3.Concetrate all the areas like roads.. water.. electricity...cleanliness etc
Ward 21 - Padavu (West)	1. Don't wait for the roads to fall into utter disrepair before you repair them. 2. Do not favour an area over another for providing facilities.
Ward 38 - Bendoor	To provide necessary facilities for the disabled specially lying on the street.
Ward 19 - Pachanady	Paid Vehicle Parking Towers
Ward 22 - Kadri (Padavu)	Safety of women
Ward 39 - Falnir	Firstly the roads must be set up. CCTV CAMERAS in public places, safety of women in public transports and other.
Ward 48 - Kankanady Valencia	Plant more trees and improve greenery
Ward 46 - Cantonment	waste management truck spills garbage in our area purpose is lost of clean city.
Ward 6 - Idya (East)	Street vending zones Park Playground
Ward 38 - Bendoor	ನೀರು ಹೂಗುವ ರಾಜಾ ಕಾಲುವೆಗಳನ್ನು ದುರಸ್ತಿ ಮಾಡಿ ಸರಿಯಾಗಿ ನೀರು ಹರಿದು ಹೋಗುವಂತೆ ಮಾಡಲು ಬಜೆಟ್ ನಲ್ಲಿ ಹಣ ಮೀಸಲು ಇಡಬೇಕು ಹಾಗೂ ಕಿರಿದಾದ ಕಾಲು ರಸ್ತೆಯನ್ನು ಅಗಲಗೊಳಿಸಲು ಬಜೆಟ್ ಮೀಸಲು ಇಡಬೇಕು
Ward 46 - Cantonment	Clean city (without any problem facing Mangaluru citizens)
Ward 31 - Bejai	Urge the authorities to build humps on roads especially at 4th and 5th cross main road in Bejai New Road. So many cats are being killed by speeding vehicles. As a concerned citizen I get all stray cats in the region spayed/neutered regularly ...imagine the pain when those strays then get killed or maimed by callous vehicle drivers who have no concern for animals. Roads are broadened here plz get humps done as well.
Ward 34 - Shivabagh	My corporator is not contactable.
Ward 58 - Bolar	I demand the city corporation to compete the already started work without delay and not compromising the quality. And also to give a proper finishing to the already started work
Ward 33 - Kadri (South)	Please ensure there is transparency in all tenders, their disbursements, quality of the work and payments. Kickbacks/ bribe offered or received

	parties should be taken to task and no further work provided to contractor and the official should be demoted or suspended. There is illegal parking of both two wheelers and four wheelers on the road in front of Ratna Apartments which is opposite Car Decor in Kadri, this should be curbed. Thank you all for the great efforts you are taking to ensure the Smart City project is not a curse on Mangaloreans as the costs will have to be borne by us the citizens in the end which the public really do not understand which will definitely become a burden in the near future. Thank you!
Ward 45 - Port	The rain water drain pits on the concreted roads leading rain water to rain water drains under d footpaths are getting choked with debris. Thus preventing draining of rain water draining from the roads & creating artificial floods on the roads. These to be cleared before the rainy season starts. A better alternate draining system to be installed.
Ward 4 - Katipalla (Krishnapura)	High priority to have CCTV at regular intervals and at all critical entry / exit points.
Ward 32 - Kadri (North)	Property tax and water bill should be reduced. To apply for land conversion, single site and getting permission for constructing house should be made online and the payment also made online or DD so that brokers or middlemen should not demand bribe. At present without bribe we cannot obtain above documents. Strict law should be implemented and punish those who involved in such activities.
Ward 53 - Bajal	Please make arrangements for rain water flow along with above requirements at Pallakere area in Bajal ward.
Ward 28 - Mannagudda	Foot path not completed fully. There are gaping holes which have to immediately covered with slabs to prevent people from falling/ stepping into them. Immediate check in this regard is called for and rectified. Quality of concreting work by the smart city project is clearly suspect and of poor quality. Let us be honest and make our dear city a truly smart one. Every mangalorean should be proud of it.
Ward 19 - Pachanady	At least one hour water supply D A I L Y.
Ward 19 - Pachanady	ಯಾವುದೇ ಯೋಜನೆ ಜಾರಿ ತರುವ ಮೊದಲು ವಾರ್ಡ್ ಸಮಿತಿಯ ನಿರ್ಣಯ ಕಡ್ಡಾಯವಾಗಬೇಕು. ಕಸ ವಿಲೇವಾರಿ ಸಂಸ್ಕರಣಕ್ಕೆ ಇರುವ ಹಣ ವಿಪರೀತ ದುರುಪಯೋಗ ಆಗುತ್ತಿದೆ. ತ್ಯಾಜ್ಯ ನಿರ್ವಹಣೆಗೆ ಸರಿಯಾದ ಹಣ ನೀಡಿ, ವಿಕೇಂದ್ರೀಕರಣ ಮೂಲಕ ಕಾರ್ಯಕ್ರಮ ರೂಪಿಸಬೇಕು. smart city ಮತ್ತು ಮಹಾನಗರ ಪಾಲಿಕೆಯ ಯೋಜನೆ ರೂಪುಗೊಳ್ಳುವಾಹ ಸಮನ್ವಯತೆ ಇರಬೇಕು
Ward 39 - Falnir	The most important facility any city can provide is safe roads/ transportation for all kinds of vehicles including pedestrians
Ward 17 - Derebail (North)	Rain water drains (gutters) is the most important requirement, Especially at Kodikal, there are no gutters on the main road and every rainy season or just one day rain the streets are flooded and roadside houses below road level get flooded.
Ward 23 - Derebail (East)	Dust free roadside & wide roads, noise pollution made by buses should be banned. All signals must be working. Water & electricity supply should be at par
Ward 44 - Bunder	4TH PRIORITY PUBLIC TOILETS

Ward 20 - Thiruvail	Water bill
Ward 9 - Kulai	Train the citizens on Solid waste management on individual level
Ward 31 - Bejai	Need quick response from MCC when any complaint is given.
Ward 38 - Bendoor	1) Plant medicinal and large amount oxygen generating trees like Ashwatha, tulasi, shady plants to control pollution of city, for healthy air please. Please don't cut trees 2) Kindly raise the footpaths with railings so that people don't park vehicles in walking area, people need more exercise, walking in city area 3) Kindly encourage and promote Ayurvedic juice centres for common people 4) Kindly appoint traffic polices to control vehicles near crossing zebra roads 5)Take out all provoking advertisements, let them be in malls etc not in roadside, encourage good thoughts, education, health tips on boundary walls. 7) Develop parks , for people in flats, to have good health of mind body, to avoid depression in youth. Thank you .God bless you.
Ward 44 - Bunder	No
Ward 31 - Bejai	MCC should ensure that work once taken up should be completed in a time bound manner as per specifications & quality requirements!
Ward 39 - Falnir	Please plant more trees and try to avoid cutting down old trees in the name of new roads. Thank you
Ward 38 - Bendoor	Rehabilitation of beggars and development of public parks should also be considered
Ward 19 - Pachanady	The roads here (inside green heaven layout)are horrible. Children find so difficult to go to school. Please do the needful
Ward 40 - Court	The choice is limited, the question asked are all pertaining to basic priority and all need to be addressed.
Ward 28 - Mannagudda	Need to have at least 2 huge public park & one swimming pool in each ward
Ward 46 - Cantonment	Ward committee to be consulted
Ward 31 - Bejai	There are absolutely no foot paths across most of the roads in Mangalore.
Ward 38 - Bendoor	I guess it's a dream of every Mangalorean to see Mangalore listed among the smartest cities in India...Unfortunately there are lot of things in Mangalore which does not make this possible.... 1) Right people should take up important positions. The decision makers should be the ones who have a lot of interest in making Mangalore a smart city.... 2)Smart city does not mean having taller buildings, bigger malls or wider roads.... There has to be adequate nature, vegetation, greenery too along with the manmade concrete structures....

	3)There is no safety on Mangalore roads with the private bus drivers and auto drivers driving rashly causing loss of valuable lives due to negligence.... 4) Strict action against law breakers should be taken irrespective of their power or financial background.. 5) Building owners are given permission to run businesses without making provision for vehicle parking for their customers which results in people using main roads and private roads for parking... I seriously wonder how such irresponsible people are given licenses or no action taken against them by the authorities... 6)Its surprising roads are made wider ,years old trees are cut but there are no foot paths and pedestrians are forced to walk on roads endangering their lives.... 7)No proper drain system... Sewerage flows on roads and footpath posing serious health concerns 8)If a public work like construction of roads etc is undertaken , there is no time frame to complete the work... 9)Many people lack civic sense Eg. or violate traffic rules, positions. Eg.smoke in public places, spit on the roads, do not wear masks, drive rashly, park vehicles wherever and yet no action is taken...Looking at the way Mangalore is today I am sure we can qualify for the worst cities to live in India... unfortunately authorities do not take any action and have a very casual attitude towards the ones who genuinely want Mangalore to become a smart city.. According to me Mangalore can never become a smart city if we have corrupt, selfish, self-centred people taking up important positions or authorities focus on unimportant things like changing building and road names instead of focusing on the right things which will benefit the Mangaloreans... Again this survey is of no use if the grievances of the citizens are not taken seriously. Thank you Regards
Ward 31 - Bejai	Laying a permanent pipeline for passing cables instead of digging everywhere
Ward 45 - Port	Viral need is good safe foot paths
Ward 45 - Port	Most vital are good safe foot paths
Ward 35 - Padavu (Central)	Spend on waste management too
Ward 55 - Attavar	1.Gas pipe line project needs systematic monitoring. 2. Wet waste collection should be done on all days of the week including Fridays. 3. Vehicle parking on footpaths should not be allowed. 4. Give proper attention to cleanliness of the city corporation area including public toilets, bus stops, railway stations etc.
Ward 19 - Pachanady	Need road repair inside green heaven layout

Ward 19 - Pachanady	Children find difficult to go to school inside green heaven layout
Ward 40 - Court	Car parking
Ward 18 - Kavoor	Money collected should be used for the purposes
Ward 27 - Boloor	Please Start immediately part Stopped Road works Urva Market to Sulthan Bathery Road
Ward 33 - Kadri (South)	Every building should be checked for Parking Professional Licence should not be renewed for defaulters Shop owners should be responsible for clients parking and not worry of roadside parking Paid parking a must Business activities should be strictly followed as per Professional Licence Water meters to be checked and penalised for defaulters
Ward 50 - Alape (South)	Drains should be constructed along with concrete roads. Side filling should be done
Ward 31 - Bejai	Humpengetta junction need flyover to decongest traffic
Ward 48 - Kankanady Valencia	Road edges to be properly tapered to avoid accidents. Pot holes to be closed immediately.
Ward 22 - Kadri (Padavu)	Create some facility for street animals so that animals will also be protected from problems..
Ward 29 - Kambla	Construct skywalk with escalators near Besant ,Kodialbail as many pedestrian feel difficult to cross there
Ward 33 - Kadri (South)	Firstly many roads don't have footpaths and wherever they are some are incomplete .Finish such works before monsoon and also the work taken up across Mangalore should be over and finished in the next four months else common will have serious problems .
Ward 31 - Bejai	Who will pay for the mess of digging roads and footpaths for laying the GAIL ...gas pipeline ?
Ward 54 - Jappinamogaru	Flyover at Jeppinamogaru railway crossing
Ward 49 - Kankanady	Usually the Antony waste guys do a good job but are not paid on time. Request you to look into the same. Thank you :)
Ward 29 - Kambla	Immediately start work on multilevel parking
Ward 24 - Derebail (South)	All markets should be renovated. Sufficient facilities should be provided.
Ward 10 - Baikampady	Construct flyover at Jyothi circle Nantoor kpt
Ward 39 - Falnir	Tennis courts indoor & outdoor in the city required
Ward 28 - Mannagudda	Please Create new parks in city
Ward 32 - Kadri (North)	Provide parking facility in every road in city.
Ward 21 - Padavu (West)	To penalise the traffic violation specially two wheelers.
Ward 34 - Shivabagh	Parking of cars and two wheeler's is a matter to be addressed by us . I/ we have got very many issues to be addressed.

	Please send me a name and mobile number so that I can be in touch. I want to help out to make Mangalore a good city. Please call or message back. Thank you.
Ward 10 - Baikampady	Please install pedestrian crossing traffic signal near schools for children's safety
Ward 30 - Kodialbail	There is no proper supervision of the work done by field formation either during the work or after completion. Please make accountability of the field officers for any lapse.
Ward 59 - Jeppu	Hardly 8 hours water supply for the past 10 months. Have been complaining about this for the past 4 years . Electric poles on the roads and hanging electric cables around the poles . Too many internet and TV cables hanging all over. Some areas cannot even take vehicles . Roads which are dug one year left as it is with big ponds not good even to walk. Drainage pipes laid but not connected.
Ward 45 - Port	The rainwater drain/ gutter coming from Yemmekere-Hoigebazar cutting through Subhashnagar narrows from 4ft to 2ft at 1stMain-3rdCross@Subhasnagar, leading to flooding every monsoons atleast 10-12 times over 3-4 months.
Ward 48 - Kankanady Valencia	This is a good initiative to connect with people. Both roads and footpaths should be hand in hand wherever possible.
Ward 22 - Kadri (Padavu)	Vehicle parking slots should be created
Ward 27 - Boloor	Please finish the roads that are unfinished since a long time. It's causing a lot of inconvenience to the people.
Ward 20 - Thiruvail	Budget should be For people's benefit
Ward 20 - Thiruvail	Please invest money to build good play grounds in city limits.
Ward 36 - Padavu (East)	Try keeping city clean by strict rules, dustbins, sweepers
Ward 14 - Marakada	Mangalore requires proper lane markings and sign boards on all roads
Ward 30 - Kodialbail	Waste to convert Power, People to understand I am citizen of Mangalore proudly to say that much cleanliness.
Ward 48 - Kankanady Valencia	Smart city work should be finished as soon as possible. We are facing heavy traffic daily
Ward 31 - Bejai	This should be done by transparency method
Ward 52 - Kannur	There are many villages don't have proper street light facilities... Ex: Near adyar katte bus stop... And we require public toilets for the health and safety of people... Especially girls.... Require a waste dustbin for each street...
Ward 8 - Hosabettu	Already work on drainage has been done by laying pipes in 2005-07. But not completed. Kindly bring it to a logical conclusion
Ward 38 -	Foot over bridges at (major) intersections n barricading pedestrian

Bendoor	crossing at these intersections will facilitate smooth traffic movement n avoid accidents.
Ward 23 - Derebail (East)	Parking places In each commercial buildings
Ward 34 - Shivabagh	Provide clean drinking water
Ward 21 - Padavu (West)	Mangalore needs all weather tennis courts
Ward 51 - Alape (North)	Please ask the corporate to visit
Ward 27 - Boloor	You have mentioned only 7. So all Of them can be looked into with same priority if you have the will
Ward 38 - Bendoor	Footpath ಮೇಲೆ ವಾಹನಗಳನ್ನು ನಿಲ್ಲಿಸದೆ ಜನರಿಗೆ ಸರಾಗವಾಗಿ ನಡೆಯಲು ಅವಕಾಶ ಕೊಡಿ. ಅಂಗಡಿಯವರಿಗೆ ಫುಟ್ ಪಾತ್ ಮೇಲೆ ಪರ್ಮನೆಂಟ್ ಪಾರ್ಕಿಂಗ್ ಬೇಡ.
Ward 15 - Kunjathbail (South)	Make public toilets in all the wards and maintain it properly. Drainage system should be proper in main roads. Put some benches in footpath or under roadside trees so elderly people can sit some time
Ward 31 - Bejai	Time bound service on top most priority to earn blessings from Tax paying Citizens expecting quality service effectively & efficiently. We can & we will, if only we are concerned about Service, not just time pass by wasting tax payers hard earned money.
Ward 34 - Shivabagh	Please keep different dustbins in every lane that we can separate dry and wet waste
Ward 33 - Kadri (South)	Please provide pay/free parking facility. Coordinate with other departments before putting concrete and then digging .. Total waste of resources..
Ward 31 - Bejai	Providing proper water supply
Ward 35 - Padavu (Central)	Improve the footpaths
Ward 33 - Kadri (South)	Road connectivity and drainage to each and every house. Parking spaces in business areas. Area wise park and play ground. Scientific way of waste collection and recycling. Making city green and beautiful.
Ward 27 - Boloor	Road repairs in busy areas , NOT road expansion in residential areas
Ward 22 - Kadri (Padavu)	- underground electric cables; - pavements; - green patches : nature walk etc; - community basketball courts; - safe walking tracks; - smart traffic system; - encourage use of bicycles; - utilising solar energy as a renewable energy source; - price regulation for food products; - subways or underpasses especially at the junctions on the highway; - children safe parks; - affordable parking management; - free WiFi in city; -
Ward 25 - Derebail (West)	Parks, smaller and precise circles
Ward 25 - Derebail (West)	We need more public grounds & park kids play area better parking facilities & good public transportation systems more city bus to reduce traffic
Ward 12 - Panjimogaru	Foot path to Kulur Kavoar road if it comes under city corp. work.
Ward 30 - Kodialbail	ಈಗಾಗಲೇ ತಿಳಿದಿರುವ ಹಾಗೆ ಕೆಲವು ಮನೆಗಳಿಂದ ಕೊಳಚೆ ನೀರನ್ನು ಸಣ್ಣ ನೀರಿನ (ತೋಡುಗಳಿಗೆ) ಹರಿವಿಗೆ ಬಿಟ್ಟಿರುವುದರಿಂದ ಶುದ್ಧ ನೀರಿನ

	ಹಳ್ಳಿ (ತೋಡು) ನಗರ ಪ್ರದೇಶದಲ್ಲಿ ಕಾಣದಂತೆ ಆಗಿದೆ, ಆದ್ದರಿಂದ ಈ ಬಗ್ಗೆ ಗಮನಹರಿಸುವುದು ಒಳ್ಳೆಯದು .
Ward 49 - Kankanady	Improve tourism in our city ...and also improve the signal system in road ...
Ward 22 - Kadri (Padavu)	Water management..pls rebuild up..
Ward 39 - Falnir	Build bus stands for the people. Busses should be under state/ govt control. Unnecessary parking on the roads should be fined. Make pedestrian crossing. Present busses are not user friendly for elderly and disabled people and huge risk to elderly and minors. Provide proper dustbins and urinals on all main roads. Roads should be widened with proper signs and signals. Street hawkers should be removed.
Ward 31 - Bejai	Cleaning of streets, action on the people throwing trash/ plastic waste on the roadside.
Ward 39 - Falnir	Please complete the road project of S. L Mathias road. This was started in 2018 and now road has become unmotorable and also difficult for people walk too.
Ward 35 - Padavu (Central)	Construct ring road to avoid the density of vehicles in the city avoid national highway road inside the city make Mangalore City pollution free
Ward 30 - Kodialbail	ಈಗಾಗಲೇ ತಿಳಿದಿರುವ ಹಾಗೆ ನಗರ ಪ್ರದೇಶದ ಕೆಲವು ಮನೆಗಳಿಂದ ಕೊಳಚೆ ನೀರನ್ನು ತೋಡುಗಳಿಗೆ ಬಿಡುವುದರಿಂದ ಶುದ್ಧ ನೀರು ಕಾಣದಂತೆ ಆಗಿದೆ, ಆದ್ದರಿಂದ ಈ ಬಗ್ಗೆ ಗಮನಹರಿಸುವುದು ಒಳ್ಳೆಯದು .
Ward 40 - Court	We have only least options to choose from. But such initiatives is encouraging. Hopefully Ward Committee starts; and this Committee take firm decisions. Thanks.
Ward 31 - Bejai	Plz provide humps for roads at Bejai new road between 4 and 5 th cross...so as to slow down speeding bikes and vehicles. Thank you.
Ward 48 - Kankanady Valencia	My ward is Kankanady Valencia but after so many years also there is no drainage facility. I am residing at naguri. pls look into this also.
Ward 56 - Mangaladevi	Play ground and digging roads very often can. Be avoided
Ward 22 - Kadri (Padavu)	Completion of incomplete work and protection for landslides
Ward 48 - Kankanady Valencia	Maintenance of lighting on roads. More lights, shady trees, good pavements, clean city roads & markets.
Ward 30 - Kodialbail	The above ranking is like Sophie's choice
Ward 55 - Attavar	Most of the vehicles are parked on the main roads which causes block for other vehicles to drive and also in convenience for the people. Please look into the matter.
Ward 8 - Hosabettu	Toll free roads
Ward 42 - Dongarkeri	Keeping city clean and green
Ward 59 - Jeppu	Clean first
Ward 39 - Falnir	I want the roads to get well off soon. It's always having issues.

	Due to rainy season the roads get full of water. It's very difficult for the riders to pass by.
Ward 26 - Derebail (South - West)	Announce all details of the budget process on a continuous basis and in the following order: 1) the figures of the statistical analysis of the inputs obtained by janaagraha.org/mangaluru on the budget allocation. 2) the final decision by the MCC on the priority and amount of allocation and explanation for such a decision. 3) details of the auction process, including that of the auction beneficiaries and the amount sanctioned. 4) continuous report on the progress of the work.
Ward 33 - Kadri (South)	It was good
Ward 5 - Katipalla (North)	Please do repair the roads. It's at Terrible state right now and needs a good quality patch work
Ward 5 - Katipalla (North)	Plant trees/saplings and conserve the existing ones (roadside) Underground cabling of electric wires Allocate land and other resources towards the development of playgrounds, mini forests and parking areas Maintain public toilets
Ward 48 - Kankanady Valencia	We should keep our city clean and healthy!
Ward 21 - Padavu (West)	We had requested since long time. We are aged people here. No one is here to support for road and street lights. We had struggled a lot during rainy season. We were not able to go out due to water stuck in our area for long time. There was no single neighbours here in our area. We have invested so much amount of money for mud road and also street polls. Our sons both are staying in Bangalore. We need street lights to be installed in our area which is not installed since last 2 year and also we sincerely request you to assign engineer to construct damar or concrete road as soon as possible in our area. We are staying behind sanidhya school, shaktinagar mangalore Behind animal care. Please help us Thank you
Ward 49 - Kankanady	Service road from kankanady bypass road to father Muller convention hall direct road (two way). Road was widen taken initiate from the local builders, MCC has to take decisions & acquire service station pumpwell front road side to widen, make permanent concrete to road both side, pumpwell is the gateway of mangalore .it connect Bangalore, kerala ,udupi & mangalore city. Also nathoor fly over required to avoid accidents, mono rails required udupi to mangalore, service bustand at pumpwell accelerate the tender. Paid car parking all the main city in mangalore .street light all the roads should function. Traffic sign board

	& should be visible. Pedestrian walk both side all the roads needed. Humpankatta main junction bridge needed for pedestrian. Within the city & highway Greenery plants to be planted for the beautification our mangalore.
Ward 22 - Kadri (Padavu)	Safe drinking water and health facilities. Repair the overflowing drainage
Ward 30 - Kodialbail	ತೆರಿಗೆ ಕಡಿತ ಗೊಳಿಸುವ ನಿಟ್ಟಿನಲ್ಲಿ ಕ್ರಮ ಕೈಗೊಂಡರೆ ಒಳಿತು ಎಂದು ನನ್ನ ಅನಿಸಿಕೆ, ಯಾಕಂದರೆ ಮದ್ಯಮ ವರ್ಗದ ಜನರು ಮಾತ್ರ ಸರಿಯಾಗಿ ತೆರಿಗೆ ಹಣ ಯಾವುದೇ ಆರ್ಥಿಕ ಸಂಕಷ್ಟ ಇದ್ದರೂ ಸಮಯಕ್ಕೆ ಸರಿಯಾಗಿ ತೆರಿಗೆ ಹಣ ಸಂದಾಯ ಮಾಡುತ್ತಿದ್ದರೆ ಎಂದು ನನ್ನ ಅನಿಸಿಕೆ, ಯಾಕಂದರೆ ವಾಣಿಜ್ಯ ಕಟ್ಟಡ ಗಳ ತೆರಿಗೆ ಮೊತ್ತ ಜಾಸ್ತಿ ಇದ್ದರೂ ಸಮಯಕ್ಕೆ ಸರಿಯಾಗಿ ಪಾವತಿ ಆಗುತ್ತಿಲ್ಲ ಎಂದು ಮನಪಾದಲ್ಲಿನ ಸಾಮನ್ಯ ಜನರು ಮಾತನಾಡುತ್ತಾರೆ ,ಹಾಗಾಗಿ ದೊಡ್ಡ ಮೊತ್ತ ಮೊದಲು ಸರಿಯಾದದ ಕ್ರಮದಲ್ಲಿ ವಸೂಲಿ ಮಾಡಲು ಕ್ರಮ ಕೈಗೊಂಡರೆ ಮನಪಾ ಆದಾಯ ದಲ್ಲಿ ಯಾವುದೇ ಆರ್ಥಿಕ ಸಂಕಷ್ಟ ಇರದು .
Ward 55 - Attavar	All works stated above are important but highest priority should be given to sanitation as all developed nations do. All are basics.
Ward 31 - Bejai	Pls do the needful without wasting time & money
Ward 18 - Kavoor	STOP Cash TRANSACTIONS AT GOVT OFFICES. USE ONLINE AND DIGITAL MODE.
Ward 55 - Attavar	Please make the work in MCC office digital
Ward 45 - Port	Traffic management
Ward 49 - Kankanady	Paid parking facility on roads at important sites. Kankanady new market complex paid parking must be constructed for atleast 200 vehicles.
Ward 28 - Mannagudda	Proper roads at Ashoknagar
Ward 58 - Bolar	Bus no. at bust stop to be mentioned
Ward 59 - Jeppu	Plant trees there is no shadow for walking people we can prevent pollution also
Ward 38 - Bendoor	Please create more parking spaces by creating multi storey building parking due to shortage of space. Kindly start charging for parking slots created on the main road. Also introduce fines for inappropriate parking which creates congestion.
Ward 31 - Bejai	Employ smart people for assignments not those who got job based on reservation. MCC is full of waste products. Grow up, become smart !!!
Ward 25 - Derebail (West)	Lot of opportunity should be planned for increasing Income of MCC.
Ward 38 - Bendoor	Decent footpaths all over the city. Proper rain water drainage system
Ward 18 - Kavoor	Please do something about footpaths as they're non-existent in many places.
Ward 39 - Falnir	I want the roads to get well off soon. It's always having issues. Due to rainy season the roads get full of water. It's very difficult for the riders to pass by.
Ward 26 - Derebail (South -	Announce all details of the budget process on a continuous basis and in the following order:

West)	1) The figures of the statistical analysis of the inputs obtained by janaagraha.org/mangaluru on the budget allocation. 2) The final decision by the MCC on the priority and amount of allocation and explanation for such a decision. 3) Details of the auction process, including that of the auction beneficiaries and the amount sanctioned. 4) Continuous report on the progress of the work."
Ward 35 - Padavu (Central)	I feel all at number one
Ward 33 - Kadri (South)	The water channel has been encroached by the Mangalore City Corporation in forming a road to a stretch of over 500 feet only to enable Parking of Water Tankers and Service Station Vehicles by the ex Corporator. Thus hindering common man's and handicapped personnel's freedom of movement and risk too. The same has not been done on the Northside of the junction where it's badly required.
Ward 42 - Dongarkeri	De silting & Concretisation of big rain water drain retaining walls. & stop drainage flow in drains
Ward 42 - Dongarkeri	Repair retaining wall of big drain behind shivagiri apartment, desilt .. Stop artificial flooding happening since 3 years..every year
Ward 53 - Bajal	1 public park 1 library and atleast one public toilets in each ward. There is some lakes in some wards please identify that lakes and develop that lakes and use that lakes as a main water source for that ward.
Ward 49 - Kankanady	Sir, mangalore road almost chennagi kelsa nadithide.. aadare very important.. accident kammi aaglikke kelavu kramagalannu thegeyuvudu anivarya.. I have some plans Sarkarakku laaba,janarigu laabha.. 1. Bc road to mangalore/thalapady to mangalore/SURATKAL to mangalore... Yella stop ge BUS BAY (At least 2 bus in one time) maadbeku... And yeradu kadegu CC camera... Ondu vele yavude bus .. BUS BAY olage hogade ... Horage stop kotre without mercy fine haaki.. (fine is atleast 500) at present we r facing this issue in kankanady.
Ward 20 - Thiruvail	Spend some money for trees, and also vulnerable groups. Raise money locally and give pensions on this group locally don't depend on state government.
Ward 23 - Derebail (East)	Please spend first on drainages and then move onto roads and footpaths or else you need to spend again repairing roads and foot paths.
Ward 34 - Shivabagh	ನಾನು 34ನೇ ವಾರ್ಡ್ ನಿವಾಸಿ, ಹೈವೇ ಬದಿಯಲ್ಲಿ ನನ್ನ ಮನೆ ಇದ್ದು ನಮಗೆ ಇ ತನಕ ಒಳಚರಂಡಿ ಇಲ್ಲ, ಮತ್ತು ಮಾರ್ಗಗಳನ್ನು ಕಾಂಕ್ರೀಟ್ ಹಾಕಿ ಚಂದಮಾಡಿ ಒಂದು ವರುಷ ದೊಳಗೆ ಅಗೆದು ಹಾಕಿ ನಾಶ ಮಾಡುವುದನ್ನು ದಯಮಾಡಿ ನಿಲ್ಲಿಸಿ, ಇದರಿಂದ ನನ್ನ ಅಭಿಪ್ರಾಯ ದಲ್ಲಿ ಬಜೆಟ್ನ ಹಲವು ಕೋಟಿ ರೂಪಾಯಿ ಗಳನ್ನು ಉಳಿಸಿ ಬೇರೆ ಅಭಿವೃದ್ಧಿ ಕೆಲಸಗಳನ್ನು ಮಾಡಬಹುದು ಎಂಬುದು ನನ್ನ ಅಭಿಪ್ರಾಯ.
Ward 24 - Derebail (South)	Waste management implementation is already good. Focus should be on drainage, street lights maintenance and need better one for the rainy season.. Public toilet and parking areas near local bus stops would be great so that citizens can access them..thank you.
Ward 26 - Derebail (South - West)	Need CCTV cameras.
Ward 23 -	Sir we have already informed our corporator roads are not in a

Derebail (East)	position to walk then how can we expect vehicles.... Sir please do the needful...waiting for your positive reply..
Ward 16 - Bangra Kuloor	My house door no is 1-12/4,malady bye pass road, urgently require drainage for avoiding waterlogging during monsoon and Underground drainage
Ward 38 - Bendoor	Street should be clean... Every bus stop there should be separate dustbins for dry waste and wet waste. Improve public toilet facility
Ward 27 - Boloor	Waste Managements should be done neatly !! In a timely manner !! In ward 27 boloor waste trucks don't have time and irresponsible for collecting wastes !! Sometimes these people don't even collect waste for 2 days !!
Ward 7 - Idya (West)	Routine works like street lights maintenance, road maintenance, storm water maintenance should be done monthly/yearly respectively without reminder Not happening now. After repeated reminder superficially being done. Feedback, follow up should be done by corporator or official concerned Sewage system not at all being done Road sweeping, bushes trimming, desilting not being carried out Road repair not done even after 11 years Regards
Ward 31 - Bejai	ರಾತ್ರಿ ವೇಳೆ ನಂತೂರು ಜಂಕ್ಷನ್ನು ನಿಂದ ತಲಪಾಡಿ ಹೋಗಲು ತುಂಬ ಕಷ್ಟವಾಗುತ್ತದೆ ಕಾರಣ ಹೆದ್ದಾರಿಯಲ್ಲಿ ವಿದ್ಯುತ್ ಸೌಲಭ್ಯ ಇಲ್ಲದ ಕಾರಣ .
Ward 24 - Derebail (South)	At kottar cross at residence area there is a school and evenings we cannot walk on the road because of the children parents vehicles please note
Ward 31 - Bejai	Better Bus discipline. Buses to stop at designated areas only. Polite behaviour on the roads enforced. Traffic violations by everyone has to be curtailed.
Ward 19 - Pachanady	Why is that there is no congruity in a city map. A finger like projection is considered as Panchayat area with city limits on either side of a 200 ft width non city road (called Bondel Muddushedde road) which is just left filthy, broken ring garbage bins always overflowing or with numerous stray dogs scavenging inside and around them. No footpaths, overgrown bushes on either side with snakes, lizards and other animals inside the bushes. Panchayat members say no money city staff say it is out of their purview. We pay taxes to the city but we get little or nothing in return. Spoken to the Health officer, spoken to the Mun Councilor but to no avail whatsoever. HELP US PLEASE
Ward 59 - Jeppu	The survey holds good for Jeppu Majila. Other comments: The entire of Jeppu-Valencia stretch road was made 4 lane by chopping off 52 trees. The work lies incomplete even after 2 years. Footpaths incomplete,

	covered with weeds. Plastics strewn all over by the street food/vegetable vendors. The trees were apparently chopped to accommodate parked buses, trucks and street-food vendor vehicles. The street lights aren't working. Why was the accessory light required at the middle when it stopped working in 6 months? The entire stretch is a suicide mission for people trying to cross the road by standing on divider as the street light/s (3) completely block one's view of vehicles.
Ward 34 - Shivabagh	Make it on time, don't waste time
Ward 38 - Bendoor	Dustbin should be kept in public places like bustands...etc Public toilets should be maintained well and more public toilets should be provided.....Roads should be maintained time to time no potholes should be there so as to minimise accidents ...
Ward 35 - Padavu (Central)	Where ever possible there plant the trees. rectify the water on the road where logs. dust management on the roads Tipper trucks spilling on the road. Thank you in advance.
Ward 29 - Kambla	Remedial measure for Drainage blockage in kasba ward is not been looked into since independence.
Ward 27 - Boloor	More efficiency in govt. Talati offices
Ward 41 - Central Market	Water bill should be provided every month it's been more than 4months we didn't received the bill if you give once 3-4months it will be burden for us to pay the bill please initiate about it
Ward 53 - Bajal	Cycle track
Ward 48 - Kankanady Valencia	Roads need to be fixed as soon as possible. Waste management is comparatively good in residential areas and city but can always improve. Facilities like water and public washrooms need to be established. Smart city is a scam nothing smart about digging up the roads and not completing the job fully.
Ward 59 - Jeppu	Cleaning
Ward 55 - Attavar	Please ensure street lights at all areas for the safety of women too. Urgently need these 4 areas to be covered.
Ward 22 - Kadri (Padavu)	1. Municipality can stop unnecessary boards and posters by permission and collect the revenue to develop the city. Can be penalised if there is no permission. Municipality can clear the mess in the city by this rule. Will get revenue to Municipality and clear the mess in the city. Many countries follow this rule to control banners and posters.... Please include in the budget and implemented immediately. It will help to clear the city's poster mess. 2. Accountability in the project Contractors and held them responsible with specific warranty. Hold their payment till the end of warranty period. 3. Public participation in each every project implementations. Please do the needful Thank you Regards Alex
Ward 22 - Kadri (Padavu)	Smart City funds be used for actual smart City activities like cctv monitored synchronised signals, water and sewage managed remotely, imposition of fines and all payments to mcc via digital, all mcc related

	work through digital to avoid direct contact in covid era, also reduces corruption.
Ward 54 - Jappinamogaru	Footpath should be full-fledged, people should walk freely without hustle
Ward 42 - Dongarkeri	Regular Fogging of open ditch/ drains to prevent mosquito menace.
Ward 58 - Bolar	Priority should be given to one stretch of road at a time. Only on completion of the road, underground drainage, foot path, street lights, road markings and sign boards work on another stretch should be undertaken. This will avoid incomplete work and will not inconvenience the road users both traffic and pedestrians at large and will help proper budgeting and sanctioning of contracts.
Ward 48 - Kankanady Valencia	Issue of local men getting drunk and sleeping on footpaths or flat gates
Ward 33 - Kadri (South)	Please provide proper parking facility on all Roads and please fix the sign boards
Ward 45 - Port	Complete the work on priority basis
Ward 9 - Kulai	There are many places in the entire city wherein 2 lane roads must be converted into 4 lane roads. Very disappointed with lack of street lights in many places both City North & South. Please install more street lights.
Ward 35 - Padavu (Central)	Parking on footpath, roadside vendors using the footpath, causing inconvenience to pedestrian's should be addressed by MCC
Ward 55 - Attavar	Kindly repair the roads on priority along with proper drainage system
Ward 40 - Court	Street dog menace needs to be addressed.
Ward 9 - Kulai	Street lights needed. Please install signage boards across the city both north & south. Don't restrict only to major junctions. Please highlight tourist spots of Mangaluru in signage boards.
Ward 33 - Kadri (South)	Conduct Best Ward competition among wards on quarterly basis to increase cleanliness and safety awareness among citizens. *Cover rain water channels to help widen road and to prevent garbage entry. *Encourage and educate citizens to keep garbage at their home till collection vehicle arrive. *Install plastic collection drums with Metal rings on electric pole to prevent street dogs and cats from garbage littering. *Vacant land owners should maintain their property by cutting long grass, bushes and old trees on regular basis to safe guard the citizens from bad elements and from snakes, pythons and reptiles. *Rickshaw stand should be at least 50 meters from bus stands. *Fill up Road shoulders with deep holes and sharp channels causing accident like situation. *Monitor precious water wastage and fine the owner. *Monitor encroachment on govt land especially near the road side. Many vendors have suddenly mushroomed near kadri park-Udipi highway *Remove old fashioned advertisements big boards/ screens to maintain

	the aesthetic of mangalore and to minimize distraction and blind spots. *Remove cluster of wires and organize Internet/cable TV wirings on Street light posts. *Two wheelers parking in the city where permitted should be allowed to park on each side of the road in alternating days.(Monday, Wednesday, Friday) on one side and the remaining days on other side to ease traffic flow. *Vehicle parked on the road sides, bus stands, hospitals, place of worships, should be issued traffic violation ticket and towed away. *Mark all Roads with lane markings. *Widen roads to ease congestion *Police to focus on irritant rickshaw, bus drivers and motorists to stay in lane. *Two wheeler drivers must stay on left side of the road. They zig-zag and balance around the vehicles on the road causing AC I like situation. *Traffic police should impose fine on drivers using extra head lights fittings and uncertified horns. *Many heavy vehicles rear lights never work or covered with mud and their number plates are not visible. Book these irresponsible drivers. *All Tractors tow their load carriers without the tail lights and reflector. *All Heavy vehicle should stay on extreme left of the road. *These driver use both lanes causing traffic jam or slowing down the moving traffic, small vehicle drivers overtake the trucks from left side of the road endangering the life of pedestrians. *All vehicle should have vehicle inspection for worthiness along with valid pollution certificate. *Book drivers using high beam in the city limits.
Ward 48 - Kankanady Valencia	Manglore is a clean city , congratulations to the corporation ,the public sensitisation regarding civic sense is very important, we can have more sign boards requesting to keep our city clean
Ward 27 - Boloor	Provide approach road each & every ooni because mangalore becomes smart city
Ward 48 - Kankanady Valencia	The interior roads in many areas and some roads around main locality is filled with potholes. they have to be repaired. Few years back, huge containers were kept for collecting waste. those containers were lifted and emptied by the corporation. that can be implemented again in certain areas. from nethravathi bridge to thokottu and beyond, still garbage bags are thrown on the road side. I thank the city corporation for collecting waste from our houses regularly. we have no issues regarding electricity and drinking water. Thank you.
Ward 33 - Kadri (South)	More parks should be developed
Ward 39 - Falnir	While Preparing Budget we should understand that we have large resources unutilized and we have very limited MONEY in Hand. Can we check how much money we have for NON RECUCRRING Expenditure? Can we activate people participation in development projects using this limited FUNDS. Asking suggestion is the first step in People Participation in development program. By doing this you have taken a BIG Step towards

	a large CAMPAIGN. CONGRATULATIONS. That's all from my side.
Ward 34 - Shivabagh	Dear sir Our ward is not having a proper road and drainage facility. Please look into it.
Ward 55 - Attavar	There is Old Bus stand rotary health centre near 7th cross Attavar 55th ward which is not in functioning so MCC build small garden or children's park or walking for senior citizens
Ward 59 - Jeppu	Don't cut roadside trees for road, infrastructure, development, or for better structure views. Small flowering trees grown in lanes must encouraged. Speed breakers must be in proper place with paint and not as required by individuals.
Ward 59 - Jeppu	Need to make concrete for marnamikatte 3rd cross road. We are not able to walk in that road.
Ward 40 - Court	Please do not Increase Property Taxes as the same have been increased in 2020. Also Provide 75% Discount from SWM Cess for Residents who have opted for Composting of Wet Waste
Ward 36 - Padavu (East)	No proper road for kelarai neermarga residents from Last 6 year's
Ward 36 - Padavu (East)	we want road .there is no proper road for us .
Ward 36 - Padavu (East)	We in kelari are requesting for road for 5 years for CDP approved road . Also the file is placed in council meeting. Kindly take this up on priority
Ward 34 - Shivabagh	Still the approach roads of some houses are such only one person can pass at time, they should be widened, at least a Autorickshaw can pass.
Ward 36 - Padavu (East)	Kelarai new township road is very bad in condition. Many people are fallen and wounded. Please acquire the road with fast process.
Ward 28 - Mannagudda	Yes. Stray dogs are so scary.. Road side vendors are many. Dark spots are too many. Waste is haphazardly thrown around
Ward 30 - Kodialbail	Online property tax payment very high priority. Should be started from April 2021.
Ward 36 - Padavu (East)	we do not have road in kelrai layout, kelrai , neermarga .Requesting please solve it. very difficult for us to travel with kids since no road , no street lights .very scary to move out for emergency purposes after 7 .kindly resolve it .
Ward 36 - Padavu (East)	Road with fringe, outgoing and street lights
Ward 45 - Port	Whatever u make the for long time vision, please do not waste the public money just concreting without proper planning,even today yr construction of footpath, drainage are very poor condition not at all even for one year!
Ward 31 - Bejai	Dumping waste along the roads.. anywhere we travel on and around Mangalore.. there are plastics laden with waste.. we need to stop.. solid waste management and plastic waste management is very important
Ward 31 - Bejai	We don't want smart city. Basic facility for the citizens to walk freely, breath freely, noise pollution control and speed control of the vehicles

	and more public parks.
Ward 36 - Padavu (East)	Connecting road with street lights are very essential
Ward 49 - Kankanady	Please reserve Rs.one crore to pay compensation in RP/3763/2014 pending in National commission for consumer Redressal New Delhi
Ward 31 - Bejai	Drainage extension by additional manhole construction in our Anegundi 4th cross Road area has not been implemented even after several representations for the last 18 years... We are still using the pit
Ward 36 - Padavu (East)	Kelara layout opp.to St.Anne school, Neermarga need proper road , street light with drainage facility for about 70 residents people. We request you to please do the needful..
Ward 36 - Padavu (East)	Please solve the road issues of our ward
Ward 8 - Hosabettu	We can save on repeated jobs for ratifying the poor jobs on Drainage and Road. Also plan and combine the job to save on cost.
Ward 33 - Kadri (South)	Kindly ensure safety of pedestrians and motorists. Ensure people don't park vehicles on roadsides and instead work towards creating parking spaces. If old busstand is earmarked, please complete the pending jobs quickly.
Ward 31 - Bejai	The vehicles shall be made to park road side instead of foot paths depriving the rights of pedestrians (particularly senior citizens and children) to use foot path to avoid accidents as the MCC is failed to provide parking space. Side railing shall be provided as safety measure. I wish the citizens good health and safety.
Ward 38 - Bendoor	"Development of an automated multi-level car parking system" Hi the issue I wanted to mention here is not in the list, the main concern for an to be smart city is PARKING issue, as the most of the roads are narrow, with no.of buildings with no proper Basement parking are going to be problematic in near future, even though with increasing no.of customers, business, it leads to many parking issue, My suggestion for #MYCITYMYBUDGET, please think and plan for next 10years further, so to reduce Parking issue please think of installing #Automated multi-level car parking system , in places which is near to most of the center places such as Pumpwell, Kankanady (Proposed Market area), where customers, people coming to Kankanady, Bendoorwell, Falnir can park with stipulated Parking Fees, Likewise in Hampankatta, Lalbagh, Bunder area. Make it compulsion for Multi Storey building to allow a Multi-Level Car Parking in their Premise, so that there will be No Parking issue in the Near future. Thanking you for allowing us to share our views. : Looking forward with Anticipation.
Ward 55 - Attavar	I am surprised that foot path, drainage and Roads are not an integrated project!!!!
Ward 56 - Mangaladevi	I need to suggest much more than above for the entire development of Mangaluru, especially in the field of tourism, metro etc. I am ready to give my service free of cost based on my experience in strategic & innovative management, if the Authority permits. Contact me.
Ward 39 - Falnir	Please complete the road widening and footpath work between Indira hospital and Kankanady circle on mother Theresa road, Falnir. It's

	dangerous for senior citizens like me aged 75 to walk on this road without footpath and uneven, muddy roadside endangering the life due to speeding vehicles. FOOTPATH IS A MUST
Ward 31 - Bejai	We the residents of ANEGUNDI 4TH CROSS ROAD area have not been provided with the facility of drainage system. Our efforts for the last 18 years have not impacted for any improvement in this facility. We request for extending the drainage facility by constructing more manholes. Even near / under Anegundi Bridge, we see raw sewage passing through. Swatch Bharath concept has to be practically implemented.
Ward 6 - Idya (East)	Children play areas or ground or a garden for a ward
Ward 28 - Mannagudda	Strengthen Urban Health Centres
Ward 22 - Kadri (Padavu)	Do justice to the amount sanctioned
Ward 33 - Kadri (South)	MCC should publish the Janaagraha report with action plan and budget allocation for each developmental work in the media and MCC website.
Ward 48 - Kankanady Valencia	Don't leave half completed work everywhere. Don't dig the good conditioned concrete roads to beautify the city. The working condition of the Street lights should be constantly checked. Thank you Sir for asking our suggestions in this regard.
Ward 9 - Kulai	Building a Sewage line is also top priority Kulai
Ward 30 - Kodialbail	Please give first priority to have footpaths so that vision impaired people, disabled and old people can commute independently on their own without any fear. Please make mobility possible for disabled by having footpaths in Mangaluru.
Ward 55 - Attavar	Sign boards indicating cross
Ward 53 - Bajal	Reduce cess on waste disposal. Change the contractor every year. No interference from corporators on this. Issue different colour bins for segregation at source.
Ward 33 - Kadri (South)	Please maintain footpaths and streetlights. it will help senior citizens
Ward 27 - Boloor	Road side storm water drains are also essential having same priority as roads.
Ward 22 - Kadri (Padavu)	Advanced Road Safety Measures should be Exercise at every junction
Ward 28 - Mannagudda	Parking the vehicles on road should be prohibited
Ward 39 - Falnir	1. Maintain transparency in all your projects 2. Work for the welfare of the citizens
Ward 9 - Kulai	Parking
Ward 36 - Padavu (East)	We don't have proper road and street light.
Ward 18 - Kavoov	ಹಕ್ಕು ಪತ್ರ ವಿತರಣೆ ಬಗ್ಗೆ ಹಕ್ಕು ಪತ್ರ ಇಲ್ಲದವರಿಗೆ ಹಕ್ಕು ಪತ್ರ ನೀಡುವ ಬಗ್ಗೆ
Ward 18 - Kavoov	ಹಕ್ಕು ಪತ್ರ ವಿತರಣೆ ಯ ಬಗ್ಗೆ
Ward 32 - Kadri	Water logging issues should be taken up on priority as this can create

(North)	hindrance for building smart city.
Ward 30 - Kodialbail	Roadside waste collection in interior road to make it Namma Ooru Swatch Mangaluru
Ward 12 - Panjimogaru	ಕೆರೆಗಳನ್ನು ಸ್ವಚ್ಛ ಗೊಳಿಸಿ ಅದರ ಸುತ್ತಾಳು ಗೋಡೆಯನ್ನು ಕಟ್ಟಿ ಮಕ್ಕಳು ಅದರ ಬಳಿ ಹೋಗದಾಗೆ ನೋಡಿಕೊಳ್ಳುವುದು
Ward 12 - Panjimogaru	Its interesting Mangalore corporation has come up with this innovative idea of knowing our mind! I also recommend that Mangalore corporation should also plan on parking space management for future.
Ward 12 - Panjimogaru	Drainage facility must be compulsory done in all area
Ward 12 - Panjimogaru	Need good roads not only in the city also in the interiors
Ward 22 - Kadri (Padavu)	Sewage recycling, rain water harvesting, creating parking space by installing vertical parking stacks, proper road marking, flyovers at Kadri and Nanthoor.
Ward 23 - Derebail (East)	Collect all pending taxes, vacate all shops from illegal parking area, avoid concrete for narrow roads, avoid huge waste bus stands, don't dig concrete road again n again. Avoid third class planning.
Ward 30 - Kodialbail	ಇತಿಹಾಸಕ್ಕೆ ಸಂಬಂಧಪಟ್ಟ ಹಾಗೆ ಸಾರ್ವಜನಿಕರಲ್ಲಿ ಅರಿವು ಮೂಡಿಸುವ ಕಾರ್ಯಗಳು ಆಗಬೇಕಾಗಿದೆ
Ward 22 - Kadri (Padavu)	Thomana Lane need proper 30 Feet Tar Road required with all side walkways ,proper storm water drainage lane
Ward 36 - Padavu (East)	ಕೆಲರೈ ನೀರುಮಾರ್ಗ ಸರ್ವೆ ನಂ 158 ರಲ್ಲಿ ಸುಮಾರು 40 ವರ್ಷದಿಂದ ಇರುವಂತಹ 20 ಫೀಟ್ ಮಾರ್ಗವನ್ನು ಸುಳ್ಳು ದಾಖಲೆ ಸೃಷ್ಟಿಸಿ ಬಂದ್ ಮಾಡಿ, ಅವೈಜ್ಞಾನಿಕವಾಗಿ ನಿರ್ಮಿಸಿರುವ ರಸ್ತೆಯಿಂದ 5 ವರ್ಷ ಕಷ್ಟ ಪಡುತ್ತಿರುವ ಸಾರ್ವಜನಿಕರ ಕಷ್ಟಕ್ಕೆ ಮುಕ್ತಿ ನೀಡಿ ನ್ಯಾಯ ಒದಗಿಸಬೇಕಾಗಿ ವಿನಂತಿ
Ward 29 - Kambla	Please foot path and parking very much essential
Ward 17 - Derebail (North)	Kindly develop road at Kottara near Alva's house.it is difficult to take sick patients in emergency to the hospital since there is no road for vehicle.
Ward 21 - Padavu (West)	Free footpaths from encroachment, improve SWM, improve tourists spots
Ward 53 - Bajal	Many of Mangalore roads lack asphalt like the one from Jalligudde to Bajal, Netravathi river. PHC is not functioning properly, bus facility, streetlights, drinking water, public toilets are all priorities. Also need a bus stop near Jalligudde
Ward 38 - Bendoor	• Land-use by the government is not appropriate, excess land under government property in prime area must be allowed public parking. • Commercial buildings using parking space for buildings must be penalized. • Every ward must have at-least have three public toilets. • Market area must be there in ever ward • All area within the city corporation must be developed equally without any discrimination • Implement ward committee, all the problem will be resolved.
Ward 36 -	Please get the road done urgently

Padavu (East)	
Ward 38 - Bendoor	A team of people to go around and check how the cleanliness is maintained outside the apartments within the premises
Ward 47 - Milagres	All the best. Hope M'lore becomes a smart city for real!!
Ward 27 - Boloor	All the narrow approaches to the houses shall be widened to allow fire fighters and Ambulances to reach each and every house.
Ward 53 - Bajal	Bus facility towards Bajal and PHC
Ward 28 - Mannagudda	With a dedicated budget, appoint a corporation employee to cover all wards of Mangaluru to scrutinize whether the shops, restaurants, street vendors are following the rule of ban on single-use plastic bags. This employee can check periodically for all violators of this ban and report to levy penalties as per the law. This will help prevent pollution on the streets, garbage collection, water pollution in both Gurupura and Nethravathi rivers. Please publish the contact of this employee to the general public, so that they can contact if they observe any violations.
Ward 21 - Padavu (West)	Decrease electricity charges
Ward 41 - Central Market	Decrease electricity charges
Ward 52 - Kannur	Concretize Kannur Road
Ward 41 - Central Market	Decrease water charges
Ward 53 - Bajal	Water accumulation near railway gate Padil bridge. Please solve this issue
Ward 41 - Central Market	Make special zones for street vendors
Ward 42 - Dongarkeri	Please make parking facilities and avoid parking on roadsides.
Ward 28 - Mannagudda	With a dedicated budget, appoint a corporation employee to cover all wards of Mangaluru to scrutinize whether the shops, restaurants, street vendors are following the rule of ban on single-use plastic bags. This employee can check periodically for all violators of this ban and report to levy penalties as per the law. This will help prevent pollution on the streets, garbage collection, and water pollution in both Gurupura and Nethravathi rivers. Please publish the contact of this employee to the general public, so that they can contact if they observe any violations.
Ward 57 - Hoigebazar	Clear storm water drains
Ward 18 - Kavoore	decrease water and electric bill
Ward 46 - Cantonment	Remove traffic signals
Ward 41 - Central Market	Create zones for street vendors, decrease water charges
Ward 47 - Milagres	decrease water bill

Ward 3 - Katipalla (East)	SMS Alerts for Water/MESCOM services interruption, ONLINE Property tax including payment, Publishing of details of defaults of taxes collection, abolish water bill payment gateway charges, Sending Birth/ death certificates by speed post and email copy.
Ward 2- Surathkal (East)	Decrease water bill and UGD
Ward 26 - Derebail (South - West)	With a dedicated budget, appoint a corporation employee to cover all words of Mangalore to scrutinize whether the shops, restaurants and Street vendors are following the rules of ban on single use of plastic bags. This employee can check periodically for all violators of this ban and report to levy penalties as per the law. This will help to prevent pollution on streets, garbage collection, water pollution in both Nethravathi and Gurupura rivers. Please publish the contact of this employee to the general public, so that they can contact if they observe any violations.
Ward 46 - Cantonment	Make zones for street vendors and make drainage facility
Ward 23 - Derebail (East)	ಸ್ಮಾರ್ಟ್ ಸಿಟಿಯ ಹೆಸರಿನಲ್ಲಿ ಈಗಾಗಲೇ ಸುಸ್ಥಿತಿಯಲ್ಲಿರುವ ಸರಕಾರಿ ಕಟ್ಟಡಗಳನ್ನು ಕೆಡವಿ ಹೊಸ ಕಟ್ಟಡ ಕಟ್ಟಲು ಹಣ ಪೋಲು ಮಾಡದಿರಲು ಮನವಿ .
Ward 19 - Pachanady	Decrease tax, water bill and help us recover due to losses faced due to COVID-19
Ward 42 - Dongarkeri	Reduce property tax and water charges
Ward 41 - Central Market	Zones for street vendors, UGD
Ward 23 - Derebail (East)	ಸ್ಮಾರ್ಟ್ ಸಿಟಿಯ ನೆಪದಲ್ಲಿ ಸುಸ್ಥಿತಿಯಲ್ಲಿರುವ ಸರಕಾರಿ ಕಟ್ಟಡಗಳನ್ನು ಕೆಡವಿ ಹೊಸ ಕಟ್ಟಡ ಕಟ್ಟಿ ಹಣವನ್ನು ಪೋಲು ಮಾಡದಿರಲು ಮನವಿ . . .ರಸ್ತೆಗಳ ನಿರ್ಮಾಣ ಕಾರ್ಯದ ಮುನ್ನವೇ ಒಳಚರಂಡಿ ಕಾರ್ಯ ನಡೆಯಬೇಕು
Ward 26 - Derebail (South - West)	Food zones and street vendor zones
Ward 53 - Bajal	Concretize Bajal road, introduce bus service which has been discontinued near Jalligudde, no bus stop near Jalligudde
Ward 35 - Padavu (Central)	Roads which are concreted or favor finish done should have proper foot paths. Windrows are filled with debris and soil or waste materials citizens cannot walk on road side. This should be cleared or removed and cleaned, so that citizens can walk freely on road side. Even vehicles can be parked on road side, e.g from Kaikamba junction to further towards Kulshekar left side lot of space is available but it is full of waste soil or debris removed from road side drains which is not cleared this should be removed and levelled so that area will look clean and plenty of space will be available for parking..
Ward 35 - Padavu (Central)	Public transport government busses
Ward 44 - Bunder	Make milk refilling just like petrol bunks to stop milk packaging in plastics. Also provide paper bags retail outlets for all dustbin purpose or dustbins fixed at every house that eject waste from the bottom directly

	into carts meant for waste collection to avoid plastic bags. 3. let there be co-ordination between Mangalore City corporation, MESCom IOCL and the like while doing Road digging work to avoid wastage of Funds and trouble to the Public.
Ward 23 - Derebail (East)	Form the ward committee. Then will discuss about budget. We don't want any new drama to divert.
Ward 21 - Padavu (West)	Please address the open drain issue near pumpwell. It is the number one mosquito breeding centre
Ward 40 - Court	WE NEED BETTER TRAFFIC MANAGEMENT IN THE CITY AND WORKING TRAFFIC SIGNAL ASAP. COMPLETE A PROJECT IN FULL AND NOT INCOMPLETE WORK WHICH LACKS IN FOOTPATH DRAINAGES ETC . CLEANING OF ROADS CONSTANTLY WITH MCC ROAD CLEANERS TRUCKS , MANY ROADS HAVE EXCESS OF SANDS WHICH LEAD TO ACCIDENTS , A 4 FLOUR LANE ROAD WORKS ONLY 2 LANES BECAUSE OF THIS EXCESS SAND ON THE ROAD . CONSTANT MARKING OF LANES AND HUMPS WITH BRIGHTER COLOUR ON CONCRETE ROADS (PREFARBLY YELLOW). BETTER SIGNAGES AT JUNCTIONS FOR OUTSIDERS GREENER DIVIDERS SPACE WHEREVER POSSIBLE AND MAINTANCE OF THESE CONSTANTLY PLACEMENT OF DUSTBINS AND REGULAR CLEANING OF THE SAME
Ward 7 - Idya (West)	We don't have a UGD line, proper footpath, CC TV and other basic amenities, but the other side in Mangalore selective 5/6 wards gets high class amenities like fed light mini football court, indoor games, swimming pool, and many other facilities, In last 25 year's MCC not developed single beach in Mangalore North constituency. MCC having 60 wards not 6 wards places provides the facilities
Ward 24 - Derebail (South)	We do not have a road, it is very difficult to walk. Please take it as a initiative and help us, we are struggling to make this happen from so many years. Humble request to you sir/ madam please come and have a look and make this happen.
Ward 24 - Derebail (South)	Appoint a corporation employee to scrutinize all wards if the shops are following the ban of single use plastic bags
Ward 31 - Bejai	Vehicle parking management in streets of residency and commercial areas in city
Ward 33 - Kadri (South)	Maintain footpaths in good condition and see to it such footpaths available for the use of pedestrians. Widen the road Pinto Lane in front of Vinaya Hospital. Provide more vehicle parking facilities Provide good facilities at the Corporation office for citizens Reduce trade licence fee for small traders
Ward 1 - Surathkal (West)	Near Redrock next to NITK from highway to sea face all houses are suffering water logging from last 2-3 yrs. Already complaints given to all authorities. So proper drainage urgently needed.
Ward 28 - Mannagudda	With a dedicated budget, appoint a corporation employee to cover all wards of Mangaluru to scrutinize whether the shops, restaurants, street vendors are following the rule of ban on single-use plastic bags. This employee can check periodically for all violators of this ban and report

	to levy penalties as per the law. This will help prevent pollution on the streets, garbage collection, water pollution in both Gurupura and Nethravathi rivers. Please publish the contact of this employee to the general public, so that they can contact if they observe any violations.
Ward 18 - Kavoor	ಮಳೆಗಾಲದಲ್ಲಿ ಕೃತಕ ಪ್ರವಾಹವನ್ನು ತಪ್ಪಿಸಲು ಪ್ರತಿ ಕಾಂಕ್ರೀಟ್ ರಸ್ತೆಯ ಪಕ್ಕದಲ್ಲಿ ಒಳಚರಂಡಿ ವ್ಯವಸ್ಥೆಯನ್ನು ಒದಗಿಸುವ ಅಥವಾ ಸುಧಾರಿಸುವ ಅವಶ್ಯಕತೆಯಿದೆ ಮತ್ತು ಕಾಂಕ್ರೀಟ್ ರಸ್ತೆ ya joints galinda ದ್ವಿಚಕ್ರ ವಾಹನಗಳ ಅಸಮತೋಲನವನ್ನು ತಪ್ಪಿಸಲು ಕಾಂಕ್ರೀಟ್ ರಸ್ತೆ joints ಸರಿಯಾಗಿ ಭರ್ತಿ ಮಾಡಬೇಕಾಗುತ್ತದೆ. ನಗರದಲ್ಲಿ ಸಾಧ್ಯವಾದಷ್ಟು ಮತ್ತು ಆಂತರಿಕ ರಸ್ತೆಗಳಲ್ಲಿ ಅಗತ್ಯವಿರುವ ಕಡೆಗಳಲ್ಲಿ ಹೆಚ್ಚಿನ ಪುಟಪಾತ್ಗಳನ್ನು ಒದಗಿಸುವ ಅವಶ್ಯಕತೆಯಿದೆ. (ವಿಶೇಷವಾಗಿ ಹೆದ್ದಾರಿ ದಾಟುವ ಪ್ರದೇಶಗಳಲ್ಲಿ) ನಗರ ಮಿತಿಗಳಲ್ಲಿ ಮತ್ತು ಇತರ ಎಲ್ಲ ಸೇವಾ ರಸ್ತೆಗಳಲ್ಲಿ ವೇಗ ಮಿತಿಗಳು ಮತ್ತು ವೇಗ ಮಿತಿ ಧ್ರುವಗಳನ್ನು ಒದಗಿಸಬೇಕಾಗಿದೆ. ಅಪಘಾತಗಳನ್ನು ತಪ್ಪಿಸಲು ವಾಹನದ ವೇಗವನ್ನು ಕಡಿಮೆ ಮಾಡಲು ವಸತಿ ಪ್ರದೇಶದ ಸಮೀಪವಿರುವ ಎಲ್ಲಾ ಆಂತರಿಕ ರಸ್ತೆಗಳಲ್ಲಿ ಹಂಪ್‌ಗಳನ್ನು ಒದಗಿಸಬೇಕಾಗಿದೆ. Need to provide or need to improve drainage system beside every concrete road to avoid artificial flood during rainy season and concrete road joints need to filled properly to avoid imbalance to the two wheelers while crossing the concrete road joints. Need to provide more footpaths as much as possible in city and where ever required in internal roads.(especially in highway crossing areas)Speed limits and speed limit poles need to be provided in the city limits and all other service roads. Humps need to be provided in all internal roads near residential area to minimise the vehicle speed to avoid accidents.
Ward 18 - Kavoor	ಹಕ್ಕು ಪತ್ರ ವಿತರಣೆ ಹಾಗೂ ಮನೆ ಅಡಿ ಸ್ಥಳದ ಸಕ್ರಮಿಕರಣ (94 ಸಿ ಸಿ)
Ward 28 - Mannagudda	Better Street lights and underground drainage
Ward 54 - Jappinamogaru	ಮಳೆ ನೀರು ಹರಿದು ಹೋಗಲು ತೋಡುಗಳ ವ್ಯವಸ್ಥೆ ಮತ್ತು ಈ ಹಿಂದೆ ಮಾಡಿ ಇದೀಗ ಸೋರುತ್ತಿರುವ ಎಲ್ಲಾ ಡೈನೇಜ್ ಗಳನ್ನು ಸುವ್ಯವಸ್ಥಿತ ರೀತಿಯಲ್ಲಿ ಸರಿಪಡಿಸಿ ಕೊಳ್ಳಲು ಪ್ರಥಮ ಆದ್ಯತೆ ನೀಡಲು ವಿನಂತಿ.
Ward 30 - Kodialbail	Budget for drinking water spots for street animals and birds
Ward 26 - Derebail (South - West)	There are suggestions A) and B) A) Announce all details of the budget process on a continuous basis and in the following order: 1) the figures of the statistical analysis of the inputs obtained by janaagraha.org/mangaluru on the budget allocation. 2) the final decision by the MCC on the priority and amount of allocation and explanation for such a decision. 3) details of the auction process, including that of the auction

beneficiaries and the amount sanctioned.
4) continuous report on the progress of the work."

B)

DRINKING WATER SUPPLY

- Appoint qualified people for Operation N' maintainces
- No additional responsibilities should be given other than water supply, to the concerned engineers.
- Create Special 'Nethravathi River Board' (NRB) which looks into water diversion and pollution and multi village water schemes (MVS) with construction of check dams.
- Hand over 2.25 MGD plant to zilla panchayath to avoid water transmission loss due to theft.
- Introduce Source Development Works, to check rain water harvesting, lake conservation(there are around 12 + lakes inside city) etc.
- Introduce online payment method.

UNDERGROUND DRAINAGE

- Provide CC camera to all wet wells and monitor O&M.
- Provide alternative electrical feeder lines to avoid break down or standby generator
- UGD network regular cleaning should be planned and international standards to be maintained for precautionary safety measures.
- Online complaints should be made available to public on a digital portal.
- Maintenance drop chamber (drop manhole) should be provided.
- Maintenance chamber (manhole) at all bends should be constructed. Only
- Only after completion of UGD network with treatment plant at Pvt. Layout, and apartments OC should given

ROADS & DRAINS

- Proper planning with engineers in coordination of various dept.(MCC,KUIDFC,KUWS& DB, MUDA, MSC)
- Multiple specialized person / company should be consulted for designing and planning.
- People participation ward wise.
- All roads should have drain work, UGD, waterline cable duct & street light done simultaneously
- All storm water major drains/canals should be de-silted/ dredged , duly verifying the details as per ADB 1 project
- Road marking , Zebra crossing with reflective paints with 5 years of maintenance.

SOLID WASTE MANAGEMENT

- Create 'Ward Committee', signatures to be collected by

	authorized person appointed by WC. • All terms as per contract agreement between MCC and AWM to be strictly followed. • MCC should have a Nodal Officer (WC) in each ward to verify compliance of work delivered. • Beach cleaning length width specified should be monitored. • Transfer of waste from one vehicle to another to be carried out inside a shed & cleaned everyday. • Large Bin should be provided where open waste is thrown in (market areas), CC camera positioned, with clear instructions posted, Along with penalty. • Person for waste segregation and wet waste plant, producing manure and biogas in housing colonies/apartments • Wet waste to be collected every day. • Modernized auto segregation machine to be installed at main collection point. • No waste filling on waste land but proper implementation of segregation. • Educate public about 3 pot wet waste into manure and also biogas • Wet waste plants in each of the 60 wards • Give Awards to informers TAXATION • Self-assessment tax and all taxes including solid waste management should be made online. • See that proper procedures followed in MCC when implementation of taxes. • provided and maintain digitized water meter and billed. • Trade licenses fees should be done online via apps.
Ward 19 - Pachanady	First we want Ward Committee
Ward 31 - Bejai	Providing proper supply of drinking water
Ward 7 - Idya (West)	Drinking water supply
Ward 38 - Bendoor	Garbage being thrown into unmaintained property must be stopped. Sewage going into open well should be stopped. Unauthorised building must be classified UAC
Ward 19 - Pachanady	Please provide ample parking space in buildings before taking drastic action against citizens for illegal parking.
Ward 17 - Derebail (North)	Traffic control most important
Ward 34 - Shivabagh	It's disheartening to see sewage flowing in our storm drains and pure spring streams. The sewage transfer boxes are breached leading the foul smelling sewage into these streams. To see garbage thrown around is

	sad. Plastics must be truly banned. Wake up Mangalore. Seriously, souls first need to be purified, hope my request will not take another generation to revive. If there is a will, sewage could be controlled in a year, garbage in a quarter. Hopefully looking to see the change in my lifetime.
Ward 12 - Panjimogaru	Ward committee and area sabha to Be formed,, and cost and expenses of any project must be clear and visible for all citizens of mangaluru, corporators before assigning any jobs must be consulted to his ward people and ask their suggestions, simply don't do unscientific works of concrete works and dig up again, it's our money,
Ward 23 - Derebail (East)	With a dedicated budget, appoint a corporation employee to cover all wards of Mangaluru to scrutinize whether the shops, restaurants, street vendors are following the rule of ban on single-use plastic bags. This employee can check periodically for all violators of this ban and report to levy penalties as per the law. This will help prevent pollution on the streets, garbage collection, water pollution in both Gurupura and Nethravathi rivers. Please publish the contact of this employee to the general public, so that they can contact if they observe any violations.
Ward 30 - Kodialbail	ಬಜೆಟಿನಲ್ಲಿ ಮಂಡಿಸಲಾದ ಟ್ಯಾಕ್ಸ್ ಅನ್ನು ನಗರಾಭಿವೃದ್ಧಿ ಕೆಲಸಗಳಿಗೆ ಉಪಯೋಗಿಸುವಾಗ ಪಾರದರ್ಶಕವಾಗಿ ಏನು ನಡೆಯುತ್ತಿದೆ ಎಂದು ತಿಳಿಯುವ ಹಕ್ಕು ಕೂಡ ಸಾರ್ವಜನಿಕರಿಗೆ ಇರಬೇಕು . ಇದಕ್ಕಾಗಿ ವರ್ಷಕ್ಕೊಮ್ಮೆ ಆಯಾ ವಾರ್ಡಿಗೆ ನಿಸ್ವಾರ್ಥ ಐದು ಜನರಂತೆ ವೀಕ್ಷಣ ಸಮಿತಿಯನ್ನು ಚುನಾಯಿಸಿ , ನಿರ್ಲಕ್ಷ್ಯ ದುಂದುವೆಚ್ಚ, ಕಳಪೆ ಗುಣಮಟ್ಟ ಗಳನ್ನು ಪರೀಕ್ಷಿಸಿ ಅವರ ಸಲಹೆ ಸೂಚನೆಯನ್ನು ಪಡೆದುಕೊಂಡಾಗ ಬೃಹತ್ ಪ್ರಮಾಣದ ಲಂಚಾವತಾರ ಎಂಬ ಕ್ಯಾನ್ಸರನ್ನು ಸ್ವಲ್ಪಮಟ್ಟಿಗೆ ಕಡಿತಗೊಳಿಸಿ ಅತಿವೇಗವಾಗಿ ನಗರಾಭಿವೃದ್ಧಿಯ ಸಾಧ್ಯವಾಗಬಹುದು .
Ward 49 - Kankanady	1.Street vendors should not be allowed to occupy the roadside parking areas and footpaths as it is causing inconvenience to pedestrians as well as motorists. 2.All pedestrian crossings should be painted properly to be visible to motorists. 3.Before every speed breakers (humps) there should a proper sign to alert motorists about humps ahead. 4. Open footpath gaps to be closed immediately to avoid pedestrians falling
Ward 36 - Padavu (East)	Solve our road issues please... We are facing lot of problems. Nr.St.Anna School, Kelarai
Ward 53 - Bajal	There are no rain water flowing duct in pallakere area. Plz provide the solution for this along with the above priorities.
Ward 8 - Hosabettu	Request them to while doing any project they should coordinate all the functional department to avoid further any damages to any type of work for example road
Ward 60 - Bengre	Please provide sites for the homeless and street vendor zones
Ward 7 - Idya (West)	Beach Development , Proper Sports facilities like Badminton Court, swimming pool, cycling track, football field, indoor games etc. in our ward
Ward 45 - Port	Zone for street vendors and decrease electricity bill and water charges

Ward 29 - Kambla	Please plan completely before concreting the road. Do not allow digging the road once it is complete. Need proper planning for this. Don't waste public money
Ward 25 - Derebail (West)	Stray dogs are creating menace especially at night by tearing the seat cover etc. Population has increased, only few dogs are sterilized. A female dog is frequently reproducing minimum 4 to 6 puppies. There are frequent fights between different groups. Plz take necessary steps to sterilize all dogs & shift few dogs to other locations . During rainy season there is water logging on the cemented road in a particular area on the way to malaemar road, kottara chowki. (From a citizen kottara, canara bank)
Ward 38 - Bendoor	Our Drainage system & Road works • Proper planning with engineers before beginning the work. *Multiple specialized company should be consulted for designing and planning. • People participation ward wise. • All roads should have drain work, UGD, waterline cable duct & street light done simultaneously • All storm water major drains/canals should be utilized • Road marking , Zebra crossing with reflective paints with proper maintenance SOLID WASTE MANAGEMENT • Create 'Ward Committee', signatures to be collected by authorized person appointed by WC. • All terms as per contract agreement between MCC and AWM to be strictly followed. • MCC should have a Nodal Officer (WC) in each ward to verify compliance of work delivered. • Beach cleaning length width specified should be monitored. • Transfer of waste from one vehicle to another to be carried out inside a shed & cleaned everyday. • Large Bin should be provided where open waste is thrown in(market areas), CC camera positioned, with clear instructions posted, Along with penalty. • Modernized auto segregation machine to be installed at main collection point. • No waste filling on waste land but proper implementation of segregation. • Educate public about 3 pot wet waste into manure and also biogas • Wet waste plants in each of the 60 wards. *Wet waste to be collected every day and dry/ reject waste should be collected atleast twice a week and not just once as it's being done now. *Give Awards to informers*
Ward 18 - Kavoor	Maladi Court Area has been without basic amenities: road, rain-water-drainage and street lights since its creation nearly 40 years ago. Request Municipal Corporation to give highest priority to the development of the area.
Ward 15 - Kunjathbail (South)	Maladi Court Area has been without basic amenities: road, rain-water-drainage and street lights since its creation nearly 40 years ago. Request Municipal Corporation to give highest priority to the development of

	the area.
Ward 16 - Bangra Kuloor	Maladi Court Area has been without basic amenities: road, rain-water-drainage and street lights since its creation nearly 40 years ago. Request Municipal Corporation to give highest priority to the development of the area.
Ward 19 - Pachanady	Reduce taxes and water charges
Ward 21 - Padavu (West)	Good roads with parking, Drinking water are essential requirements
Ward 36 - Padavu (East)	Reduce taxes and water charges
Ward 50 - Alape (South)	City parking ,all buildings parking compulsory, take strict action
Ward 52 - Kannur	Reduce taxes and zone for street vendors
Ward 18 - Kavoor	This area does not have basic amenities like road drainage street lights .I request the concerned authorities to do the needful
Ward 19 - Pachanady	Provide sites for the homeless
Ward 5 - Katipalla (North)	Reduce taxes
Ward 15 - Kunjathbail (South)	ಈ ವಾರ್ಡ್ ನಲ್ಲಿ ರಸ್ತೆ, ಚರಂಡಿ, ದಾರಿ ದೀಪದ ವ್ಯವಸ್ಥೆ ಇಲ್ಲ. ದಯವಿಟ್ಟು ಸಂಬಂಧಪಟ್ಟ ಅಧಿಕಾರಿಗಳು ಮುತುವರ್ಜಿ ವಹಿಸಿ ಈಡೇರಿಸಬೇಕೆಂದು ಕೋರಿಕೆ
Ward 49 - Kankanady	Also need streetlights
Ward 33 - Kadri (South)	Vehicle Parking
Ward 31 - Bejai	Traffic Signal lights at KSRTC / BIGBAZAR Circle & Kottara Chowki
Ward 45 - Port	Reduce water bill and tax
Ward 52 - Kannur	No dust bin and waste is always on road
Ward 52 - Kannur	Zones for street vendors, concretization
Ward 32 - Kadri (North)	Provide dustbins in common public places to avoid littering on street. Complete pending concretization.
Ward 32 - Kadri (North)	Solve drinking water problems
Ward 19 - Pachanady	Zero corruption in MCC, Strict laws against builders who disobeys the rules, grow trees, bicycle path, no to flexes, smart library in each ward.
Ward 31 - Bejai	pls provide footpath to walk for pedestrians .50% of the people are still walking provide us the right to walk. provide the footpath please
Ward 33 - Kadri (South)	More systematic approach needed during work.. work should be fast. Unfinished work should be finished soon.
Ward 56 - Mangaladevi	We need 2 separate Officers for MCC Commissionaire & Smart City Director!
Ward 56 - Mangaladevi	Involve group of good engineers to design the roads and other infrastructure ..

Ward 49 - Kankanady	All the areas mentioned in the infrastructure are very important and mandatory ones. kindly pay attention
Ward 38 - Bendoor	In the name of smart city, it is most people's opinions that perhaps 50% of the work was not required in the first place, especially the underground walkway between railway station and lady Goshen. Instead what was more important is the railway underpass in jeppu railway gate. Or even nanthoor flyover. Requesting to please get priorities right
Ward 7 - Idya (West)	In Mangalore North constituency facing basic infrastructure like UGD line, footpath, And CCTV connection, And MCC not developed other amenities like swimming pool, indoor games, beaches, this time you will look this matter.
Ward 35 - Padavu (Central)	Good initiative ... Kudos to the team
Ward 32 - Kadri (North)	Please make a footpath from KPT to Nanthur
Ward 17 - Derebail (North)	Gutter to be constructed in Kodikal
Ward 19 - Pachanady	Waste is being transported by not taking proper care by the vehicles passing through the Road, even private vehicles also transporting unhygienic wastes thereby spoiling the atmosphere, step to be taken to control this system. Road inspection to be taken frequently & repairs to be undertaken. Railway over bridge work is lagging behind, proper follow-up to be taken to complete the same on priority basis.
Ward 22 - Kadri (Padavu)	- pedestrian safe cross walks - help improve civic sense of mangalore citizen - reward good people with noble thoughts - promote young minds to give innovative solutions - improve lighting: eg Kadri park area is the only space in the mangalore where morning walk enthusiasts love to spend time in; but there's no lamp post which works. - have an honest surprise audit team to check or prevent issues - we need happy & more traffic policemen who guide & assist citizen. - prevent traffic snarls especially at junctions where the highway patrol keep stopping vehicles. - relocate Bus stops at points where there are U turns situated. This is clearly bad planning. - a lot of old discarded cars are on the streets. Disposing them shall improve the road width of the city. - special focus on school zones. It's presently a MESS.. - we have a lot of good people, but aren't voiced well..
Ward 54 - Jappinamogaru	Concretize Road from Netravathi railway Bridge to Ullal Hoige
Ward 17 - Derebail (North)	Gutter in main road Kodikal, please look into the issue
Ward 38 - Bendoor	Better roads and lightning ...improve kadri park..all the kids playthings are rusted and not maintained well
Ward 38 - Bendoor	Drainage issues exist in lower Bendoor especially near Mayflower apt near Colaco hospital
Ward 24 -	AS there is no UGD connection to several houses in the vicinity of LOBO

Derebail (South)	LAYOUT at Daddalkaad intolerable dirty drainage water is flowing in the OPEN Drainage , since many years. MCC has not taken any action in this matter inspite of repeated Request by Public and let the Residents suffer ?
Ward 38 - Bendoor	Drainage gets blocked near Mayflower apt in Bendoor and sewage flows inside the building. It is creating health issues. Look into it on priority
Ward 32 - Kadri (North)	Please widen roads. Also we need footpaths in the ward on priority
Ward 17 - Derebail (North)	Storm water drains needed in Kodikal
Ward 38 - Bendoor	There are suggestions A) and B) A) Announce all details of the budget process on a continuous basis and in the following order: 1) the figures of the statistical analysis of the inputs obtained by janaagraha.org/mangaluru on the budget allocation. 2) the final decision by the MCC on the priority and amount of allocation and explanation for such a decision. 3) details of the auction process, including that of the auction beneficiaries and the amount sanctioned. 4) continuous report on the progress of the work." B) DRINKING WATER SUPPLY • Appoint qualified people for Operation N' maintenance • No additional responsibilities should be given other than water supply, to the concerned engineers. • Create Special 'Nethravathi River Board' (NRB) which looks into water diversion and pollution and multi village water schemes(MVS) with construction of check dams. • Hand over 2.25 MGD plant to zilla panchayath to avoid water transmission loss due to theft. • Introduce Source Development Works, to check rain water harvesting, lake conservation(there are around 12 + lakes inside city) etc. • Introduce online payment method. UNDERGROUND DRAINAGE • Provide CC camera to all wet wells and monitor O&M. • Provide alternative electrical feeder lines to avoid break down or standby generator • UGD network regular cleaning should be planned and international standards to be maintained for precautionary safety measures. • Online complaints should be made available to public on a digital portal. • Maintenance drop chamber (drop manhole) should be provided. • Maintenance chamber (manhole) at all bends should

be constructed. Only

- Only after completion of UGD network with treatment plant at Pvt. Layout, and apartments OC should given

ROADS & DRAINS

- Proper planning with engineers in coordination of various dept.(MCC,KUIDFC,KUWS& DB, MUDA, MSC)
- Multiple specialized person / company should be consulted for designing and planning.
- People participation ward wise.
- All roads should have drain work, UGD, waterline cable duct & street light done simultaneously
- All storm water major drains/canals should be disilted/ dredged , duly verifying the details as per ADB 1 project
- Road marking , Zebra crossing with reflective paints with 5 years of maintenance.

SOLID WASTE MANAGEMENT

- Create 'Ward Committee', signatures to be collected by authorized person appointed by WC.
- All terms as per contract agreement between MCC and AWM to be strictly followed.
- MCC should have a Nodal Officer (WC) in each ward to verify compliance of work delivered.
- Beach cleaning length width specified should be monitored.
- Transfer of waste from one vehicle to another to be carried out inside a shed & cleaned everyday.
- Large Bin should be provided where open waste is thrown in(market areas), CC camera positioned, with clear instructions posted, Along with penalty.
- Person for waste segregation and wet waste plant, producing manure and biogas in housing colonies/apartments
- Wet waste to be collected every day.
- Modernized auto segregation machine to be installed at main collection point.
- No waste filling on waste land but proper implementation of segregation.
- Educate public about 3 pot wet waste into manure and also biogas
- Wet waste plants in each of the 60 wards
- Give Awards to informers

TAXATION

- Self assessment tax and all taxes including solid waste management should be made online.
- See that proper procedures followed in MCC

	when implementation of taxes. • provided and maintain digitized water meter and billed. • Trade licenses fees should be done online via apps.
Ward 14 - Marakada	Small suggestion to increase your property tax flow. I had paid 2600 property tax this year for my 1350 sq.ft house. I have seen many people have not submitted the proper sq.ft house. Please make arrangement to find the proper sq.ft of house so that tax collection is more. Based on the sq.ft tax collection for waste management will be more and MCC will get more funds, which can be utilized for budget.
Ward 31 - Bejai	Create alternative parking facilities and ban on-street parking Appoint an official to make ward-wise data on all relevant issues such as water connections, sewage treatment plants, govt schools etc publicly available Plant roadside trees to reduce city temperature Promote cycling, buses Implement measures to discourage plastic use Set up sewage treatment plants, solid waste treatment in each ward Enforce water meters at household level and not at building level to control excess water consumption Increase citizen participation in planning Planning for urban infrastructure should be coordinated and be done by depts controlled by elected city representatives and not para-statal All information regarding city works including contract awardee, cost, quality assessment etc should be available on respective authority's website Encourage rain water harvesting Set up policy institute focused on Mangalore city planning
Ward 45 - Port	All are top priority for essential living we cannot ignore one and prioritise the other all are inter dependent above all health is more important we are ignoring this because of lack of all these essential needs
Ward 21 - Padavu (West)	As part of ensuring safety convenience of pedestrians increase the number of ZEBRA/Pedestrians crossing with electronic STOP & PROCEED signals to motorists Set up modern sewage treatment plants in each zone of the city, with facility to convert sludge into eco-friendly odourless manure/briquettes and water ; release recycled water for watering street side gardens/municipal parks 40% of the budget to be earmarked for improving sanitation/healthcare and public hygiene; that includes waste management and sewerage system, and reducing out-patient load on Wenlock Hospital through well managed Health Centres for each one/Cluster of municipal wards, supervised through a local citizen's Ward Committee ; 30% to improve roads, pedestrian facilities, traffic signals and to bring in eco-friendly and energy saving hybrid street lighting ;30% on administration-reduce dependence on salaried municipal employees/ officials by facilitating citizen access to electronic/digital services for paying taxes, applying for licences, land records, Birth & Death certificates , etc.
Ward 42 -	Open stinking sewage should be attended as top priority before road

Dongarkeri	laying
Ward 33 - Kadri (South)	The public badly needs to reclaim their spaces. These are not just my opinions, but am sure everybody will agree, The suggestion's don't cost billions of dollars to fund & implement, but with a few lakhs can change the look & mental well-being of the citizens of mangalore Okay, Here goes 1).Parks in every neighbourhood to cater to seniors, families & children for exercise & socialising. 2) Bollard/Interlocked tiles with guard rail for safe pedestrian movement along each and every major/minor/interior road-vendor/hawker free . 3) Hawkers to be set up at designated zones with fssai/corporation licence & adhere to rules & regulations. 4)Multi-tier car/two wheeler parking towers to be erected at all commercial/semi commercial/residential areas. There should be no parking on the roads to facilitate smooth movement of traffic. All vehicles-4/2/3 wheeler's to be paid parked in multi-story parking towers & owners need to pay for it. Having good pedestrian movement will allow owner's to walk around form these car parks for shopping & for other utilities. This also helps retails business to get good footfalls. People need to be seen & like to be seen. Hope this fact impresses the authorities 4) Promenades with art figures, well laid out with interlocking tiles, bollards, hawker free to be built from Batapady beach passing thalapady, uchila beach, someshwar beach, someshwar temple, dolphin beach, ullal beach all the way to ullal end point. 5) Promenades with art figures, well laid out with interlocking tiles, bollards, hawker free to be built from Panemangaluru along nethravathi river upto RTO Mangalore along Dambel river side along the netravathi river upto Kulur bridge. All promenades to be well lit & should look like a diamond necklace at night. Mangalore citizens should be able to access these promenades by parking in muti tier parking towers and enjoy their freedom. Hawker zones to be set up as per rules & licensing. Infrastructure like gas pipe, clean water & garbage disposal to be provided to hawker zones. Hawker's need to pay the corporation in terms of tax collected. 6)The entire 4 km thannirabavi beach road is in pathetic condition. The above mentioned promenade idea can be implemented on this 4 km stretch and people can just stop by for an hour or so & return back. Should be well lit with modern lighting & the place should look like marine drive in bombay. 7) Link our beaches and rivers from thalapady to sasihtilu with suitable motorway so that people can seamlessly enjoy the waterfront's. 8) Call for entrepreneurs in the field of water sport's, hotel management

	& other support systems to set up licence'd business along these routes. 9) Cycling paths to be developed in and across mangalore + suburbs. Every body is fed up of cars and rashly driven buses. 10) Low priority to be given to new cars/ two wheelers. All these vehicles need to be locked up in multi story parking towers or underground on payable basis. 11) Neat & beautiful, well lit bus shelters to be built across mangalore & suburbs to encourage public to use bus services. All shelter's need to be provided with a entry bay for buses (not in the middle of the road!!). All buses to be maintained with daily wash & have proper RTO documents providing a safe & peaceful journey for our citizens. 12) The size of Kadri park need's to be doubled & the entire landscaping needs to be overhauled. It should be known as the green lung of mangalore. The entire outer fence area needs to be developed on promanade style with interlocked tiles/ bollards/ seating arrangements & FSSAI/GST licenced cafe's for people to enjoy tea & snacks while watching the traffic flow by. Request: Kindly stay away from the four/ two wheeler admiration, awe. We have had enough of pandering to these two classes of people with concrete roads (which has increased the temperature of the city) and made a general mess of the density/ parking issues. Cannot go back to rectify. Now, build over ground & underground paid parking lots & keep these sight's for sore eye's away. Best Regards, & also All the very best in your endeavour's
Ward 19 - Pachanady	Mangaluru City Corporation has to focus on managing solid, liquid and human waste more effectively. The waste is a resource and its effective management can result in many environmental, health & economic (enterprise & job generation) benefits to the people of Mangaluru . Community involvement is the key to effective waste management . MCC in collaboration with civil society groups inclusive of educational institutions can definitely evolve a unique sustainable, people centric model of turning solid waste into wealth. There are many willing to join hands with MCC to facilitate the process of inclusive ,sustainable waste management. Another significant issue is preserving and rejuvenating the water resources in the city both underground & over ground. There are many tried & successful models that could be replicated by the MCC. to make the city water sustainable. Under the social justice plank of City governance , those suffering multiple forms of exclusion need to be heard, & empowered to involve themselves in plans & programmes of the city. In this direction public hearing programmes could be a first step.
Ward 27 - Boloor	First and most importantly we need parks with fruit trees and herbs everywhere in and around Mangalore. Our climate and land water and air pollution has gone from good to bad. Trees, plants should be made compulsory at apartments and houses

	should . The drainage which flows into the rivers should be stopped immediately. Crackers should be banned in Mangalore. No industries should be allowed near the beaches, Trees should be grown along the coastal line. Cycles should be encouraged. We need more sports grounds, walking areas in the rural and urban areas Where everyone can walk and play and represent India. This should be a priority. We need more maternity centres at all rural areas and highways. Child orphanages and old age homes should be constructed and free home stay for the poor and needy . Animal shelters and clinics are needed. Govt should sanction land to the ngos. We need counselling centre in all schools and colleges in rural and urban areas. Mental health, de addiction centre are the need of the hour. Yoga breathing and mediation, self defence, kindness to animals and birds and life skills should be included in all their curriculum . Land water and air pollution has to be tackled Need Naturopathy ayurveda and homeopathy clinic should be constructed in all rural areas and given free treatment. They work wonders for day to day health. Cancer centres are needed
Ward 46 - Cantonment	Need Zones for Street Vendors
Ward 23 - Derebail (East)	Yes. Pls copy the following hyper link and paste on the browser, which I have explained in detail. https://drive.google.com/file/d/1mzoyF7R_F0hVEN_y6n9Hbv723V01cu5H/view?usp=sharing
Ward 32 - Kadri (North)	Alvarez road kadri has bottleneck area 2 cars cannot pass...keep the signal at traffic light sp that senior citizens can walk across the roads
Ward 41 - Central Market	Safety for women
Ward 42 - Dongarkeri	Need quality and clean finish work... do the road work & footpaths just how the Arabic country's r doing so that our Mangalore city looks beautiful We need greenery every were.....need bright street lights.. every street need clean dust (sand) extra.....think twice , make plans & implement them correctly... Thank you
Ward 31 - Bejai	Sub roads must have a sizeable to turn cars, wet waste management units must be placed at every street to put some green garbage and daily monitored and cleaned.. so that the manure can be used for plants around the surroundings of dustbins..
Ward 40 - Court	Expand the shops and new building construction outside of main city
Ward 21 - Padavu (West)	Post pandemic announce one time settlement to settle water and property tax dues..
Ward 7 - Idya (West)	Service roads, beach development swimming pools etc we are all equal tax payers so give equal importance all wards
Ward 48 - Kankanady Valencia	Proper bus stops with shelter, proper service roads near flyovers
Ward 44 - Bunder	Having single road, in new field street, the open drainage needs to be closed with concrete slab so that road will become broad and also open

	drainage adjacent to Abhiman Srinivas Apartment needs to be closed with concrete slab, to prevent bad odour and mosquito dwelling.
Ward 19 - Pachanady	Please provide ramps for Sr. Citizens in all Govt offices and adequate wheelchairs too on top priority basis
Ward 45 - Port	Maintain the work done by timely supervision. Roads should be maintained by attending repair work every month. Also proper drainage should be done so in rainy season the water does not flow over roads. Flyover, bridges work should be perfect one and it needs good supervision.
Ward 33 - Kadri (South)	Budget should be spent wisely to provide basic civic facilities to everyone. Road access to every house. Parking places to be made on commercial centres. No used water should not be allowed to the water supply that public use.
Ward 35 - Padavu (Central)	Completion of the concrete road works from shaktinagar cross (kulshekar) to Crematorium
Ward 24 - Derebail (South)	Request you to widen or lane at kottara cross, 3rd cross road. It's very inconvenient since the lane is narrow and is difficult for 3 wheeler and 4 wheeler vehicles to pass. We have sick people living and they cannot walk till the main road to get transport. Kindly look into this as a matter of urgency as we have been struggling since many years. There are about 15 + houses who are struggling because of the narrow lane issues . Kindly help .
Ward 33 - Kadri (South)	There are Three Sections at MCC which are mainly responsible for loss in Revenue to the Mangalore City Corporation; mainly due to Corrupt Town Planning Section. However, those in it and responsible are transferred and the rest are facing the heat, but they should be held responsible for cooperating with the Juniors. Section 1 Misuse of Car Parking and extension of Buildings. Section 2 Water supply Section 3 Health Section issuing Professional Licence in violated areas and also irrelevant activities being executed If these three sections activities are audited by competent qualified Engineers (with a few who've applied for WC and Area Sabha) by personally surveying each building, there's a huge Revenue which could not only reduce the Tax increased, but could also increase MCC funds to simply provide the best It's a sad thing that we have so many disciplined Ex Servicemen, but have shown no interest to Apply and shoulder the Ward Committee responsibility Joe Gonsalves at 99 is a proud Social Worker to discipline Street Traffic

	And Senior Teachers/Professors too Have a Team from each of the Association (ex Servicemen and Teachers/Professors only) and give the Association incentives based on additional revenue Invest on compulsory free education A minimum of 10th standard Enforce strictly child labor Organize regular camps on tree planting, garbage disposal, road cleanliness and safety Bring awareness of Drone Technology
Ward 35 - Padavu (Central)	We would like the City Corporation to execute road widening work between Shaktinagar Cross road to Crematorium at the earliest
Ward 24 - Derebail (South)	Please publish deadline for a stretch of work. Lot of places drains done but covering and tiling pending..
Ward 24 - Derebail (South)	Please change the electrical wires and try to make it underground because we are loosing many lifes(lineman) and during rainy season due to fall of wires and people and animals are loosing their life due to current shock. This can save many lives and support the employees and their families
Ward 46 - Cantonment	Dear Commissioner MCC Ask the owner to keep their vehicles and the rented people to. Provide the place to keep their vehicles in their compound and not to park on the roads. Or let MCC provide the parking facilities and charge for it as a monthly basis or hourly basis Second point above 10 years houses to take less house tax because of the Covid .and no income Third point garbage monthly let them charge not at a stretch. Once in a month let them clean the drainage pit and remove the sand. Our house was vacant for 5 months no rent but still we have paid in advance the tax and Garbage This is cantonment ward near K M C Hospital.
Ward 7 - Idya (West)	Use of mechanised garbage unloading into the garbage carrier trucks should be adopted with no garbage visibility externally as it is in other countries. In the past I took interest in regularising the contract conservancy staff. Budget must provide for that. Staff working for ANTONY needs to be better skilled and better looked after.

	Mechanisation of garbage handling has to be prioritised with closed transportation.
Ward 31 - Bejai	Avoid pilferage and make people uncountable for loses/shoddy work
Ward 31 - Bejai	Provide alternative for Plastic garbage Bags
Ward 31 - Bejai	I want a well strong support from a municipality because in Mangalore city corporation work is going to very slow and locate on a social media because the some social activity that giving video clips and they are saying about something else and the Mangalore city corporation should prove their best from compared to other municipality work so we need a strong good work from and on time work from our society
Ward 55 - Attavar	This survey is conducted so badly.. just for name sake. What rating system is this? I stay in sultan battery road. The roads are impossible to even walk. And no proper street lights. Plus what is it a jungle? No proper management. Kudla has failed . It's not a smart City. Also why police's are picking fight with any people ? Do they need bribe? From them?
Ward 28 - Mannagudda	Need a pet cemetery. Burial for animals. It can be paid one too.
Ward 23 - Derebail (East)	needs more development
Ward 31 - Bejai	No proper water supply during rainy season
Ward 34 - Shivabagh	No proper water supply during rainy season
Ward 31 - Bejai	We need a safety for the needy animals and we need a cemenry for the animals on the footpath for them to take shelter instead of dying on the road we can arrnage the cemenry for them, and also this will help in the rainy season for the animals and lactating mother along with her puppies can be stayed and we can think this is first time in the indian democracy if this is implemented managalroe city will be known for it
Ward 17 - Derebail (North)	Smart City requires animal crematorium
Ward 38 - Bendoor	Our Corporators need to meet all members of their ward and inform them of this initiative of MCC or call a meeting to inform them.
Ward 38 - Bendoor	Step motherly treatment to our constituency. Lacking basic amenities
Ward 9 - Kulai	Please build a pet cemetery. People find it hard to dispose corpses of their pets. We cannot throw them away in the garbage.
Ward 33 - Kadri (South)	Animal/Pet crematoriums
Ward 27 - Boloor	All above tasks are important and need to be done on priority. Also Ward Committees should be made asap. Thank you.
Ward 22 - Kadri (Padavu)	Smart city fund should be used in pooling the lands and giving it's road access. This can lead to further generation of jobs by attracting companies and the revenue from which xlc can be used for city development which can give better returns than just spending the existing money completely on the Infrastructure of the city.
Ward 31 - Bejai	1.Please provide free sterilization of dogs in Government veterinary Hospitals.

	2. Please provide completely free treatment of dogs in Government veterinary hospital in the district.
Ward 10 - Baikampady	Animal welfare programmes to be conducted
Ward 36 - Padavu (East)	Pet Cemetery is another priority that needs to be considered
Ward 31 - Bejai	Public Parking areas to be notified. Make paid parking with automated snap shot and time counters.
Ward 31 - Bejai	Please development should be in a balanced way....try to save trees if needs to be cut then plant more trees...without trees we are just heading towards a sorry future
Ward 31 - Bejai	Need for a pet cemetery
Ward 31 - Bejai	Save the wetlands
Ward 31 - Bejai	Can we have public toilets like in Lalbagh at every main bus stand. Kulur Kavour etc
Ward 13 - Kunjathbail (North)	Proper waste management rules should be given to all the citizens and to the disposal people. They don't have any timings so people keep any time and street dogs scatter all around, garbage collectors don't even pick it up. Please follow the time and whoever don't follow fine heavily. No road cleaning staff comes only MCC has increased the tax.
Ward 33 - Kadri (South)	Library in every ward within the distance of three KM, playground for KIDS every ward, foot path safety squad,
Ward 32 - Kadri (North)	Extend more financial assistance for neutered community animals like dogs and cats.
Ward 55 - Attavar	ಒಂದೈದು ಲಾರಿಗಳನ್ನು ಗೊತ್ತುಮಾಡಿ ಅವಲ್ಲಿ ಡಾಮಾರು ಜಲ್ಲಿ ತುಂಬಿಸಿ ಇಡೀ ಮಂಗಳೂರು ಪೇಟೆಯನ್ನು ಸುತ್ತುತ್ತಾ ಡಾಮಾರು ಹೋಗಿ ಹೊಂಡ ಬಿದ್ದಲ್ಲಿ ಮುಚ್ಚುತ್ತಾ ಇರಲಿ. ತಿಂಗಳಿಗೆ ಕನಿಷ್ಠ ಒಮ್ಮೆಯಾದರೂ ನಿರ್ದಿಷ್ಟ ರಸ್ತೆಗಳಲ್ಲಿ ಚಲಿಸಿ ಹೊಂಡಗಳನ್ನು ಮುಚ್ಚಲಿ. ಕೇವಲ ಒಂದೆರಡು ತಿಂಗಳಲ್ಲಿ ಹೊಂಡರಹಿತ ಮಂಗಳೂರನ್ನು ಕಾಣಬಹುದು! ಕರ್ಚೂ ಕಡಿಮೆ. ರಸ್ತೆ ಹಾಳಾಗುವವರೆಗೆ ಕಾದು ಹಳೇ ಟೆಂಡರ್ ಮಾದರಿಯಲ್ಲಿ ಮುಖ ತೊಳೆಯದೆ ಪವ್ವರು ಹಾಕಿದ ಹಾಗೆ ಮಾಡುವುದಕ್ಕಿಂತ ಇದೇ ಮೇಲು. ಯೋಚಿಸಿ ಸರ್
Ward 42 - Dongarkeri	We want good roads with signals and clean city.
Ward 33 - Kadri (South)	In every ward separate market building for selling fish, vegetables on daily rental basis to be made. Night shelter in places like Surathkal is need of hour. Highway lighting from Hosabettu to Thadambail via Surathkal is urgently needed.
Ward 8 - Hosabettu	Parking, Strict control on drugs
Ward 41 - Central Market	Need to take care on amenities
Ward 9 - Kulai	Waste Mgt cess is very much on the higher side; shall be halved
Ward 41 - Central Market	Lot of plastic waste is found on the roads , roads are well developed , as I observed as the roads are widened it has become a parking area which causes nuisance for the pedestrians and the people waiting for the bus in a bus stand especially near attavar 7th cross .

	wet and dry waste is not collected separately provisions should be done for it and people need to be educated regarding the separation.
Ward 55 - Attavar	Antony waste management personnel collect only one bucket of wet waste and on dry waste collection they just leave waste and proceed
Ward 31 - Bejai	Pet cemetery
Ward 28 - Mannagudda	Glad that citizens got a say in what the administration is going to plan or execute. North Mangaluru has been deprived of many basic requirements for a long time now!!! We are seeing lots of repeated reworks and wastage of tax payers' money in few selective wards! It's good to see the high rise buildings all around but having said that why is the management approving these projects without proper UNDER GROUND DRAINAGE and water treatment facilities? It's high time we need to have this and off course we need clean drinking water 24x7! More over kids of this area need a well maintained park around! Yes we have a beautiful NH 66 ...but surprised even after so many years of completing the road works our administration has failed to install Street lights! Request the Commissioner to look into our basic needs and do the needful.
Ward 7 - Idya (West)	Request pet cemetery for pets
Ward 20 - Thiruvail	_Nigel Albuquerque of MCC Civic Group, who filed a case in High Court when Mangaluru City Corporation (MCC) refused to form ward level committees, says that the MCC should comply with the court judgement orders WP 53244/2018 delivered on August 08, 2019 and form and function Ward Committee and Area Sabha in MCC limits immediately_ Zero rationing of water supply during summer months and withdrawal of the steep water tariff. Upgrade underground drainage (UGD) system to prevent pollution of the environment Zero wet waste generation and dry waste recycling to prevent a repeat of Pachanady disaster Dengue/Malaria should be eradicated at source on a war footing Roads should remain free of potholes Scientific desilting of the storm water drains to prevent artificial flooding during monsoon Pedestrian friendly footpaths to ensure citizens enjoy their walk Transparent online payment gateways for payments of self assessment tax, water bills and garbage cess

	Tree Authority should be established Entry of moffusil buses should be prevented by setting up service bus stands in Kottara, Mallikatta and Pumpwell circles
Ward 31 - Bejai	Here no clean drinking water, malemar borewell supply, always salary of soil is there, please install pure drinking water plant, always water supply problem is there, Next is connecting road facility
